Re: Application for a New Wireless Telecommunications Facility
Location: NC Hwy. 902, Pittsboro, NC 27312
Chatham County Parcel I. D. Number: 12512

Dear Ms. Pace:

As you are aware, American Towers LLC would like to construct a telecommunications facility with a 300-foot self-supporting lattice tower on a 100' X 100' leased area of the property referenced above owned by Edward H. Straughn. Upon completion of the tower, AT&T Mobility plans to lease the 295-foot position on the tower to attach its antenna.

We are submitting herewith an original and 16 copies of the Wireless Telecommunications Facility Application and supporting documentation for your review and approval. If you find everything in good order with the application, in accordance with the Chatham County 2014 Zoning Application Schedule, we respectfully request that this application be scheduled for Joint Public Hearing on June 16, 2014 and subsequent meetings of the Planning Board on July 1, 2014 and the Board of Commissioners on August 18, 2014.

If there is any other information or documentation that is required or needed at this time in order to evaluate the proposed site for permitting, please let us know.

Thank you for all of your assistance with this application and request.

Sincerely,
