Liberty, Missouri 64068

Subject: General Permit No. NCG550000  
Certificate of Coverage NCG551318  
Ferrellgas L.P.  
Chatham County

Dear Mr. Cullen:

General Permit Coverage. In accordance with your application for discharge, the Division is forwarding herewith the subject Certificate of Coverage to discharge under the subject state-NPDES general permit. This permit is issued pursuant to the requirements of North Carolina General Statute 143-215.1 and the Memorandum of Agreement between North Carolina and the US Environmental Protection agency dated May 9, 1994 (or as subsequently amended).

The following information is included with your permit package:

- A copy of the Certificate of Coverage for your treatment facility
- A copy of General Wastewater Discharge Permit NCG550000
- A copy of a Technical Bulletin for General Wastewater Discharge Permit NCG550000
- Engineer's Certification to be completed and returned.

If any parts, measurement frequencies or sampling requirements contained in this general permit are unacceptable to you, you have the right to request an individual permit by submitting an individual permit application. Unless such demand is made, the certificate of coverage shall be final and binding.

Please take notice that this Certificate of Coverage is not transferable except after notice to the Division of Water Quality. The Division of Water Quality may require modification or revocation and reissuance of the certificate of coverage. This permit does not affect the legal requirements to obtain other permits which may be required by the Division of Water Quality or permits required by the Division of Land Resources, Coastal Area Management Act or any other Federal or Local governmental permit that may be required.

NPDES Permit Contact. If you have any questions concerning the requirements of this permit, please contact Jacquelyn M. Nowell at telephone number 919-733-5083, extension 512.

Sincerely,

  
Alan W. Klimek, P.E.

CERTIFICATE OF COVERAGE NCG551318  
GENERAL PERMIT NO. NCG550000

TO DISCHARGE DOMESTIC WASTEWATERS FROM SINGLE FAMILY RESIDENCES AND OTHER  
DISCHARGES WITH SIMILAR CHARACTERISTICS UNDER THE

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM

In compliance with the provision of North Carolina General Statute 143-215.1, other lawful standards and regulations promulgated and adopted by the North Carolina Environmental Management Commission, and the Federal Water Pollution Control Act, as amended,

Ferrell Gas L.P.

is hereby authorized to construct and operate a wastewater treatment facility consisting of one septic tank, one pretreatment unit, one re-circulating tank, ultraviolet disinfection unit, cascade aeration with rip rap, and associated appurtenances, and with the discharge of treated wastewater from a facility located at the

Ferrell Gas L.P. Property  
12085 US Highway 15-501 North  
Chatham County

to receiving waters designated as UT East Branch Price Creek in the Cape Fear River Basin in accordance with the effluent limitations, monitoring requirements, and other conditions set forth in Parts I, II, III and IV of General Permit NCG550000 as attached.

This certificate of coverage shall become effective January 20, 2006

This Certificate of Coverage shall remain in effect for the duration of the General Permit.

Signed this day January 20, 2006
