RE: Application for Amendment to Conditional Use Permit of Ferrellgas, LP

Dear Keith:

This firm represents Robert Blitchington, the owner of Triangle Electrical Services, Inc. in connection with his application for amendment to conditional use permit previously issued to Ferrellgas, LP. Mr. Blitchington seeks to have the conditional use permit for that property amended so as to allow use of the same as a contractor's office and shop. Enclosed please find the application and all of the attachments, as well as a check in the amount of \$250.00 made payable to the Chatham County Planning Department. Once you have had a chance to review the application, please let me know if any additional information is needed and we will supply it.

Very truly yours,

Nicolas P. Robinson
