To: The Chatham County Planning staff and Planning Board Members:

It is the Windham Homeowners Associations intention to dedicate the right of way known as Pickett Lane recorded in plat 97-310 and recorded in DB 728 Page 532 Chatham County Registry of Deeds to the NC Department of Transportation for addition into the state secondary road system. Included is the original construction compliance letter from D.O.T. and the necessary Petition for Road Addition forms signed by the individual homeowners of Windham.

Enclosed also find the revised map showing Pickett Lane as a public right of way.

Thank you for your consideration,

A handwritten signature in black ink, appearing to read "Eric Schwartz", written in a cursive style.
