Subject: John W. Blair Application for Rezoning and Conditional Use Permit

Keith:

On behalf of John W. Blair, I hereby request that the public hearing on Mr. Blair's pending application for rezoning and a conditional use permit, currently scheduled for January 17, 2006, not be conducted on that day but instead be continued to the public hearing scheduled for March 20, 2006. This request is made as a result of information first learned after the filing of the application and within the last few days that requires revision of the site plan and application.

Thank you.

Patrick
