Dear Mr. Myers:

The Division of Water Quality (Division) acknowledges receipt of your permit application and supporting materials on November 29, 2005. This application package has been assigned the number listed above and will be reviewed by Marie Doklovic.

The reviewer will perform a detailed review and contact you with a request for additional information if necessary. To ensure the maximum efficiency in processing permit applications, the Division requests your assistance in providing a timely and complete response to any additional information requests.

Please note at this time, processing permit applications can take as long as 60 - 90 days after receipt of a complete application. To check on the status of an application, please visit <http://h2o.enr.state.nc.us/bims/Reports/reportsPermits.html>.

**The Division has recently reorganized. All sewer related matters are now handled through the Pretreatment, Emergency Response and Collection Systems Unit under the Point Source Branch EXCEPT FOR FAST-TRACK SEWER EXTENSION PERMITTING WHICH CONTINUES TO BE ADMINISTERED THROUGH OUR REGIONAL OFFICES. The Unit is located on the 13<sup>th</sup> floor of the Archdale building in downtown Raleigh. Please see [http://h2o.enr.state.nc.us/documents/dwq\\_orgchart.pdf](http://h2o.enr.state.nc.us/documents/dwq_orgchart.pdf) for our new organizational chart.**

If you have any questions, please contact Marie Doklovic at 919-733-5083, extension 371, or via e-mail at [marie.doklovic@ncmail.net](mailto:marie.doklovic@ncmail.net). If the reviewer is unavailable, you may leave a message, and they will respond promptly.

**PLEASE REFER TO THE ABOVE APPLICATION NUMBER WHEN MAKING INQUIRIES ON THIS PROJECT.**

Sincerely,

Jeffrey O. Poupart  
Supervisor
