Chatham County, N.C.

Re: Henry's Ridge Subdivision

Please take the Henry's Ridge Phase One map off the agenda for the February 20 County Commissioners Meeting. I am going to incorporate this map into the map we have prepared for Lots 6 through 40 which was submitted to the planning staff on February 13, 2006. This new map will be reviewed by the Planning Board and County Commissioners in March, 2006.
