Dear Mr. Spoon,

This is to acknowledge that Poplar Forest, Elsa Jane, Lauren Rose and Binky Lanes in Bobcat Point Subdivision have been constructed in accordance with the manual, "Subdivision Roads - Minimum Construction Standards", revised January 2000, in respect to the subgrade, the compacted aggregate base and the paved wearing surface per certification by Mr. Gerald M. White, P.E. This correspondence includes approval of the seeding and mulching of all soil areas within the limits of the right of way which were disturbed during construction.

This letter does not add the above road to the state system for maintenance. Upon satisfactory maintenance and establishing minimum home density you will need to submit FORM SR-1, "Petition for Road Addition" (Attached) along with (5) recorded plats to the District 1 Division 8 office at P.O. Box 1164, Asheboro, NC 27204.

Should you have any questions or need additional information please do not hesitate to contact this office.

Yours very truly,
