Dear Ms. Pyle:

Our clients, Chatham Partners LLC and Polk Sullivan LLC., are planning a subdivision for an approximately 597 acre tract of land adjoining on the the east side of Old Graham near and along the Haw River. We are in the process of determining whether there are any structures of greater than 50 years of age or having historical significance on the property or within 100 feet of the property but, we nevertheless, wanted to notify the Chatham County Historical Association of our plans. The NCSHPO records note an area referred to as "Rock Rest Multiple Structures (CH)," which is located on the Spalt property. The Spalt property lies within the project boundary but is not a part of this subdivision and is owned by completely unrelated parties.

I have enclosed a site plan of the property referred to. Please let us know if we can assist in any way. Thank you very much for all you do for the County.

Very truly yours,

Nicolas P. Robinson
