CHATHAM COUNTY COMMERCIAL DRIVEWAY REVIEW

I, Jessie E. Knight, have reviewed the location of the proposed Driveways on SR 1527 (Morris Rd.) and US 15-501 for the purposed Fearington Place shopping center.

The proposed driveway on SR 1527 is acceptable at the location shown to me. This site is acceptable for this use and a Driveway Permit shall be issued upon our receiving the request for a Driveway Permit and our reviewing the application for conformity to our specifications.

The request for a right in / right out driveway on US 15-501 will be reviewed by the division traffic engineer.
