RE: McBane Property Subdivision Application/Letter From  
Chatham County Historical Association, Inc.

Dear Lynn:

I am in receipt of a copy of a letter to you from Chatham County  
Historical Association, Inc., dated July 7, 2006.

Section 4.4B of the Chatham County Subdivision Regulations requires a  
subdivision applicant to contact the Chatham County Historical Association, Inc.  
prior to submittal for sketch subdivision approval when structures of greater  
than fifty (50) years in age or having historical significance are on the property  
or within 100' of the property on adjacent property. The applicant for  
subdivision of the McBane property is not aware of the existence of any  
structures of greater than 50 years in age or having historical significance on  
the property or within 100' of the property on adjacent property. Therefore, the  
applicant did not contact the Chatham County Historical Association, Inc.  
concerning this application.

Sincerely yours,

Patrick E. Bradshaw
