

Appearance Commission Meeting September 13, 2006

Members Present: Phil Dark, Grim Hobbs, Kim Archer, Ginny Gregory,

Sue Schwartz, Angie Birchett (Staff)

Project One: Farrington Mill Road Storage, George Farrell presenting Chris Ketchel attending.

- **The App. Comm. recommended that Mr. Farrell plant a mix of Viburnum, Chindo', Viburnum, 'Pragense,' and Magnolia 'Little Gem' as a street side buffer.**
- **The App. Comm. also recommended the addition of Ilex vomitoria 'Nana'.**
- **(Dwarf Yaupon) to the proposed planting of Abelia 'Edward Goucher'.**
- **The App. Comm. advised Mr. Farrell to insert plantings between every ten (10) parking spaces.**
- **Access for fire trucks will be accomplished by extending a planned driveway between buildings.**
- **Sight Triangles on the two new driveways must comply with Regulations.**
- **Signs at the driveways will be Monument type and sized according to the Chatham County Sign Ordinance.**
- **The number of signs will be specified in plans submitted to the Planning Board.**
