Ms. Angela Birchett,

I have received your letter to inform me of Mr. George Farrell's request to rezone his property on Farrington Point Rd. (SR 1008) and McGhee Rd. (1008).

I want to state clearly that I am against it. Such a change would not only affect my property, but also the whole Willowbend community. The loss of privacy, the increase of foot traffic from the proposed commercial area would increase the security risk for the homes of Willowbend and surrounding area and reduce property values.

I hope you will consider my opinion.

Thank you,

Linda C. Heinrichs
