WATER SERVICE AVAILABILITY

Chatham County Water has examined the following property and has made the determinations as checked below:

Parcel ID: 19530

Owner of Record: Wayne Carlson (renter)

Street Address: 1780 Farrington Point Rd

- Property has water service available from an existing County-owned waterline with simple service connection.

- Based on proposed development plans, the developer would be required to extend an existing County-owned waterline to this property.

- County water service is not currently available to this property and the property is too far from an existing County-owned waterline to require extension.
