From: Mark Riggsbee, Chief
North Chatham Fire Department
45 Morris Road
Pittsboro, NC 27312

Dear Sir,

We have reviewed the preliminary site plan for the proposed Home Improvement Center and additional retail spaces near the Orange County line on US 15-501 North. We do not foresee a problem with providing fire protection to this facility. The facility would be located about 3 miles from North Chatham Fire Department Station #3. The response time to this facility would be relatively short and the County water system in that area would provide a water source. If we can be of any other assistance, please call.

Sincerely,

Mark Riggsbee, Chief
North Chatham Fire Department
