Dear Keith,

The Chatham County Economic Development Corporation Board of Directors met in regular session at 11:30 am on May 9, 2006 and made final recommendation pertaining to your and Angela Birchett's request for rezoning property in the Moncure area.

Presently the property located on both sides of Pea Ridge Road north of Old US 1 is zoned Heavy Industrial and your request was to rezone to residential/agricultural.

The board's recommendation is to leave the zoning as is/ Heavy Industrial.

Sincerely,

Tony M Tucker
President
