

Dear Chatham County Commissioners and Planning Board,

My name is Marc Goodwin. I own property close to Jeff House's proposed campground/RV site. I have seen the campground site plan and see no problems at all with in his plan.

I also own and operate a small campground/RV park in the area. When Shearon Harris Nuclear Plant has yearly outages, my campground is full. I have had to turn away many potential customers. As a result, they ask if I know of another campground that provides shade and privacy, as mine does. Jeff's proposed campground/RV site does provide what they are looking for. I think the proposed campground/RV site is needed to provide a place for the contract workers and Progress Energy workers to set up. These contract workers like the Moncure area as it is very close to their work place and Moncure offers businesses where they can purchase groceries, gas, etc.

I think Jeff's proposed campground/RV site will benefit the Moncure community and will not take away from the rural character of this community. I ask that you support Jeff in this endeavor.

Sincerely,

TO WHOM IT MAY CONCERN:

IT HAS COME TO MY ATTENTION THAT JEFF HOUSE HAS PETITIONED THE CHATHAM COUNTY COMMISSIONERS FOR A CONDITIONAL USE PERMIT FOR A PRIVATE CAMPGROUND FACILITY ON HIS PROPERTY IN MONCURE. KNOWING JEFF AND HIS SITUATION WITH HIS BROTHER'S CONDITION I FEEL IT WOULD BE NOT ONLY A SERVICE TO THE COMMUNITY BUT WOULD ALSO BE A TREMENDOUS HELP TO HIS FAMILY. I FEEL THAT IT WOULD ENHANCE THE AREA AND POSSIBLY ATTRACT MORE TOURISTS TO THE LAKE AS WELL AS BENEFIT WORKERS COMING IN FROM ABROAD WHILE WORKING SHUTDOWNS IN LOCAL CHATHAM COUNTY PLANTS. WITH ALL THE JOBS RELOCATING OUT OF THIS AREA IT SURE WOULD BE A PLUS TO DRAW IN A FEW EXTRA PEOPLE IN A MANNER THAT WOULD NOT DETRACT FROM THE RUSTIC RURAL CHATHAM COUNTY CHARACTER IN THIS COMMUNITY. FEEL FREE TO CONTACT ME VIA PHONE AT 919 542-2183 OR STOP BY THE STORE TO DISCUSS THIS FURTHER.

RESPECTFULLY YOURS,

Chatham County Commissioners and Planning Board

Dear Chatham County Commissioners and Planning Board Members:

In regards to the proposed RV/ Trailer Court requested by William Jeffery House, I wish to let it be known that I support his plans to build the site on Moncure School Road. My parents ran a successful trailer park in the Brown Hill area for many years on a relatively small tract of land, and I know first hand the value to the community of such a business. I believe Jeff will do a fine job running such a business. I ask that you support any way possible in his undertaking.

Thank you,

Bruce S. Jones

Dear Chatham County Commissioners and Planning Board Members:

In regards to the proposed RV/ Trailer Court requested by William Jeffery House, I wish to let it be known that I support his plans to build the site on Moncure School Road. I know Jeff to be of good character and believe he will run an orderly business. I do not believe the quantity of land should deter a person from developing a business. Moncure is growing and changing just like the rest of the county, and I wish Jeff success in his new endeavor.

Thank you,

My name is Sue Carroll Renegar and I have property in Moncure on 101 North Drive. I have no objections to a new campground on Moncure School Road built by Jeff House. I think it is a good idea and a great way for his family to help insure the future of his handicapped brother. I would hope the board would understand and support this idea.

TO WHOM IT MAY CONCERN:

I have known Jeff House and his family for over 25 years, and I know him and his family to be good, honest, conscientious, upstanding, hardworking responsible people who have always exhibited much civic pride and contributed to the progress and betterment of their community in anyway they could. .

Jeff would like to develop a limited RV park on some property he owns in Moncure, and which will require a Special Use permit from the County. The park would be used to provide contractors, who come periodically to the area for extended periods to work in the surrounding plants, with a quiet, safe, home-like environment in a modern, upscale, up-to-date facility in which to park their home-away from home.

I know that Jeff would comply with all the rules and regulations that the County would require, as well as any other governmental agencies, including environmental rules and regulations. I do not believe that Jeff would do, or allow to be done, anything that would lower the standards of the community.
