Dear Keith,

I am writing on behalf of Michael and Amy Tiemann's request to build a high end recording studio on their property in Chatham County. Michael is an active member of United Church of Chapel Hill and a consistent and generous supporter of its music ministry. He has recorded numerous concerts, church services and CDs for our music groups. The addition of this studio would be a huge asset for the charitable community, making recordings possible for local groups that would otherwise be out of reach. I hope that Chatham County will grant the Tiemann's request for this facility.

On another note, I hope that you and Jenny are doing well, it's been a long time since we were on Cameron Avenue with the Chapel Hill Day Care Center!

Sincerely,

Jill Edens,  
Pastor
