

REVISED CONDITION WORDING AS APPROVED BY THE CHATHAM COUNTY PLANNING DEPARTMENT

FOR

POLK'S VILLAGE COMMERCIAL CENTER

6/3/09

"According to Board of Commissioners minutes of April 6, 2009 and April 20, 2009"

Stipulations Specific to the Application

1. A lighting plan shall be supplied to and approved by the Planning Department prior to approval of the first building permit being issued. All lighting shall meet the requirements of the Chatham County Zoning Ordinance Section 13 Lighting. These may be done in "phased" submissions or on an individual lot basis with an overall calculation for the entire complex to be available.
2. Signage shall be as specified on the site plan. Signage shall meet the requirements of the zoning ordinance for a Business (B-1) zoning district where no one sign shall exceed 150 square feet in size.
3. The recommendations from the Appearance Commission for landscaping shall be followed. Any revisions to the initial plan shall be brought before the Planning Department and the Appearance Commission before any such plantings are made. Plantings should be selected for their long term survivability and provide the proper buffering as required and agreed upon between the developers and the Polk's Landing Homeowner's Association. Plants that do not survive shall be replaced at the next optimum planting season.
4. A site plan meeting the NCDOT requirements for the intersection of US 15-501 and Polk's Landing Road shall be submitted along with any required NCDOT commercial driveway permits for entrances off Polk's Landing Road and US 15-501 prior to the issuance of the first building permit.
The proposed new road connecting US 15-501 with Polk's Landing Road shall be built to NCDOT structural standards and shall be open to the public.
5. Setbacks from Cub Creek shall be 100 feet on each side for buffers and the stormwater management pond. A new stormwater management plan shall be submitted to the Planning Department prior to issuance of the first building permit. The stormwater design shall be at a minimum to the requirements specified in Section 8.5.4 Storm Water Runoff of the application.
6. Parking requirements for the request shall be as outlined in the Zoning Ordinance, Section 12 and the Chatham County Design Guidelines.
7. An approved wastewater disposal site plan and permit from NCDWQ and any other departments as deemed necessary with respect to the wastewater disposal shall be supplied prior to issuance of the first building permit.
8. All required perimeter landscaping and buffering shall be installed prior to the issuance of certificate of occupancy for the first structure or at the first optimal planting season following the issuance of the certificate of occupancy.
9. Dumpsters shall be screened to meet Chatham County guidelines.

10. All required local, state, or federal permits (i.e. NCDOT commercial driveway permits, NCDWQ, Erosion Control etc.) shall be obtained and copies submitted to the Planning Department prior to issuance of the first building permit.

11. Off-site improvements required by NCDOT or any other agency shall be constructed at no cost to Chatham County.

12. The first building permit shall be issued within 24 months from the date of this permit's approval or the expiration of the appeal period or any court decision, whichever is later or this permit will automatically expire and become void.

13. Site Plan. The site shall be developed substantially in accordance with the plans submitted as part of the application.

14. Watershed Management. A detailed watershed protection plan for the entire project area which shall include impervious surface calculations and a monitoring plan to assure compliance with the maximum impervious surface area allowed herein shall be approved by the Planning Department prior to issuance of a Zoning Determination Permit. Prior to issuance of a Certificate of Occupancy, the developer shall submit evidence satisfactory to the Planning Department of compliance with the approved plan.

15. Erosion Control. If applicable, an erosion and sedimentation control plan shall be approved by the Chatham County Soil Erosion and Sedimentation Control Office and submitted to the Planning Department prior to the issuance of a Zoning Determination Permit.

16. Silt Control. The applicant shall take appropriate measures to prevent and remove the deposit of wet or dry silt on adjacent paved roadways.

17. Appeal. The County shall be under no obligation to defend any action, cause of action, claim, or appeal involving the decision taken herein. In the event a response is authorized by the County concerning this resolution, or any action to enforce the provisions hereof, the applicant, its successors or assigns shall indemnify and hold the County harmless from all loss, cost or expense, including reasonable attorneys fees, incurred in connection with the defense of or response to any and all known or unknown actions, causes of action, claims, demands, damages, costs, loss, expenses, compensation, and all consequential damages on account of or resulting from this decision. Nothing in this paragraph shall require the applicant to indemnify and hold the County harmless from any losses or costs associated with defense of the County's actions or procedures in considering and acting upon this application.

18. Fees. Applicant shall pay to the County all required fees and charges attributable to the development of its project in a timely manner, including, but not limited to, utility, subdivision, zoning, building inspection, recreation and educational impact fees established from time to time.

19. Continued Validity. The continued validity and effectiveness of this approval was expressly conditioned upon the continued compliance with the plans and conditions listed above.

20. Non-Severability. If any of the above conditions is held to be invalid, this approval in its entirety shall be void.

21. Non-Waiver. Nothing contained herein shall be deemed to waive any discretion on the part of the County as to further development of the applicant's property and this permit shall not give the applicant any vested right to develop its property in any other manner than as set forth herein.
