Chatham County Appearance Commission

Members Present: Phil Dark, Grim Hobbs, Kim Royal, Ginny Gregory, Sue Schwartz,
Davis Andrews (prospective member)

Project: Manns Chapel Church (Café)

Presenters: Gus Beck (Landscape Architect), Joe Mosnier (Owner), Nick Robinson (Atty)

The CCAC approved of the conceptual plan with some recommendations of a change in the type of landscape materials. We recommend the use of older varieties of flowering shrubs, especially those with fragrance, including Viburnums, Kerria, Jasmine nudiflorum and Spirea. We recommend that the buffer of evergreens behind the church begin at the new construction, not at the street, in part as a safety feature affecting the sightline of the entrance on Poythress Rd. to the East.
