

Soil Erosion and Sedimentation Control

LETTER OF APPROVAL

June 11, 2009

HBP Properties
Attn: Brantley Powell
PO Box 5365
Cary, NC 27512

RE: Project Name: Legend Oaks Phase 3
Project Number: 2009-001
Acres approved: 15
Total Acres: 99.23
Submitted By: Arcadia Consulting Engineers, PLLC
Date Received: 6-9-09

Dear Sir or Madam:

This office has reviewed the subject erosion and sedimentation control plan. We find the plan to be acceptable and hereby issue this Letter of Approval. The enclosed Certificate of Approval must be posted at the job site. This plan approval shall expire two (2) years following the date of approval, if no land-disturbing activity has been undertaken.

Section 10 (l) of the Chatham County Sedimentation and Erosion Control Ordinance requires that a copy of the approved erosion control plan be on file at the job site. Also, this letter gives the notice required by G.S. 113A-61.1(a) of our right of periodic inspection to insure compliance with the approved plan.

North Carolina's Sedimentation Pollution Control Act is performance-oriented, requiring protection of existing natural resources and adjoining properties. If, following the commencement of this project, the erosion and sedimentation control plan is inadequate to meet the requirements of the Chatham County Sedimentation and Erosion Control Ordinance, this office may require revisions to the plan and implementation of the revisions to insure compliance with the Act.

Acceptance and approval of this plan is conditioned upon your compliance with Federal and State water quality laws, regulations, and rules. In addition, local city or county ordinances or rules may also apply to this land-disturbing activity. This approval does not supersede any other permit or approval.

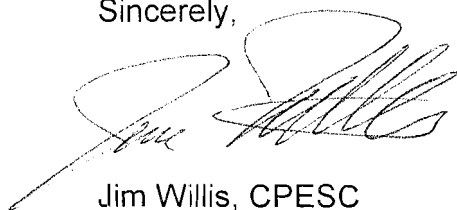

Please be aware that your project will be covered by the enclosed NPDES General Stormwater Permit NCGO1000 (Construction Activities). You should first become familiar with all of the requirements for compliance with the enclosed general permit.

Please note that this approval is based in part on the accuracy of the information provided in the Financial Responsibility Form, which you provided. You are requested to file an amended form if there is any change in the information included on the form. Please notify us when you would like to schedule a preconstruction conference. Notification shall be given at least 7 days prior to initiation of activity.

*****The Land Disturbance Permit Fee of \$250 per disturbed acre (a balance of \$3,500 for this project) must be submitted in order to receive a Land Disturbance Permit prior to Land Disturbing Activity. *****

Your cooperation is appreciated.

Sincerely,

Jim Willis, CPESC
Lead Sedimentation and Erosion Control Officer
Chatham County Public Works Department
