Subject: Governors Village Commercial/ Tract C

Mrs. Richardson,

During the course of our survey of Tract C at Governors Village, which included a thorough investigation of the entire property, we found no visible evidence of gravesites or any other historical feature including old roads, structures, wells, walls, fences or the remains of these or any other man-made feature. Please let me know if I can be of any other assistance in this matter.

Sincerely,

Robert S. Jones, PLS
