Re: Rezoning request by Rocky River Rental from R-1 to IL-Light Industrial

Dear Ms. Birchett,

Thank you for the official notice of the upcoming County Commissioners meeting
scheduled for November 17.

I am the owner of Parcel No. 5837 and Parcel No. 5811, in proximity to the proposed change. I can foresee many possible consequences if the rezoning request is approved, both beneficial and detrimental, and therefore can not decide at this time whether to support or oppose the proposal.

Given the history of the zoning downgrade from IL to R-1 to the area five years ago, and the ensuing unfulfilled promise to codify a “commercial corridor” in its stead, I hope that the Commissioners will have the wisdom to act in the best interests of all concerned.

If you would be so kind, could you please inform me at your convenience of the Board’s decision.

Thank you.

Richard A. Siege
