Re: Community Meeting on November 9 for New Elam Boat & RV Storage located at 1060 New Elam Church Road

Dear Neighbor,

This letter is to invite you to a Community Meeting regarding the New Elam Boat & RV Storage project on ____ acres that we are proposing near your property, on Parcel Number _____. An informed community meeting will be held on Saturday November 9, 2013 from 2:00 to 3:00PM. The meeting will be held on our property at 1060 New Elam Church Road. Plans for our proposed project will be available for you to review. You be given an opportunity to ask any questions and voice concerns you may have about the details of our project. Our plans may be revised based on your input before we submit it to the County.

This meeting is required as part of the County zoning process; however County staff will not be present at the meeting. We are planning to submit our proposal to the County Planning Department in December. You will receive a notice from the County about this submittal once the application has been made.

We would appreciate your attendance and input at this community meeting. We are providing a rough sketch of the proposal with this letter. If you have questions before then, feel free to call or email me.

Respectfully,

Dale Stansell
