

..TITLE

A Public Hearing on Wireless Telecommunication Permit request by American Tower Corporation and AT&T Mobility for a portion of Parcel No. 20032, known as the Farrington Site, located off 464 Old Farrington Rd. for a 195' monopole telecommunications tower on a lease area of approximately 0.73 acres of the 11 acre tract, zoned R-1, within the Williams Township.

..ABSTRACT**Action Requested:**

A Public Hearing on Wireless Telecommunication Permit request by American Tower Corporation and AT&T Mobility for a portion of Parcel No. 20032, known as the Farrington Site, located off 464 Old Farrington Rd. for a 195' monopole telecommunications tower on a lease area of approximately 0.73 acres of the 11 acre tract, zoned R-1, within the Williams Township.

Introduction & Background:

The proposed cell tower is an unlit 195' monopole with a 4' lightning rod for an overall wireless facility height of 199'. The proposed site will be set back on a 100' x 100' leased area on an 11acre parcel, zoned R-1. The tower site will be accessed by a 12' wide gravel drive from Old Farrington Rd. The tower is proposed to be located 304' off the road. The tower will be designed to accommodate four wireless service providers.

Discussion & Analysis:**Recommendation:**

Hold hearing and receive public comments and forward application to the Planning Board.
