Re: Development Input Meeting for Pit 64 Solar Electric Power Plant located along US Highway 64 W. in Pittsboro on July 24th at 6:00 PM

Dear Adjacent Property Owner:

This letter is to invite you to a community meeting regarding a solar energy project on approximately 47.92 acres of land near your property, on Parcel Number 9712-13-4471. An informal meeting will be held on July 24, 2014 beginning at 6:00PM at 50101 Governors Drive, Suite 280, Chapel Hill, NC 27517. Detailed directions are below. Plans of our proposed development will be shown and you will have the opportunity to voice your concerns and ask questions of people knowledgeable about the details of the project. Our plans may be revised based on your input before we submit to the County.

This meeting is required as part of the Chatham County zoning process, however County staff will not participate in the meeting. We are planning to submit our official plans to the County Planning Department in the near future. You will receive a notice from the county about this submittal once the application has been made.

We would appreciate your attendance and input at the community meeting. If you have questions before the meeting you may contact the person below. A copy of the map showing our proposed project is attached and can also be viewed on the Chatham County website at www.chathamnc.org/planning under the Rezoning and Subdivision Cases link. Should you have questions, but are unable to attend this meeting, please call me at 919-960-6015 ext. 306 to discuss.

Respectfully,

Sam Judd
Site Development
