Subject: 4421 Manns Chapel Road, Rezoning-We now SUPPORT

Hi Jason,

We had previously signed a petition to OPPOSE the Rezoning petition of 4421 Manns Chapel Road.

We now support the Rezoning project. Please note our Support of this project, and Allow it to move forward. We live quite close to this property and are glad to learn Of Nina Lloyd's future plans to improve and upgrade current buildings. She has reached out and corrected a lot of the mis-information spread by her Opposing neighbor. So we support her efforts.

With thanks,
Annie and Kelly McKee
