# Staff Report

## City of Manhattan Beach

**TO:** Honorable Mayor Aldinger and Members of the City Council

**FROM:** Geoff Dolan, City Manager

**DATE:** December 18, 2007

**SUBJECT:** Presentation by Scott Gobble Regarding Southern California Edison Activities

---

### **RECOMMENDATION:**

Staff recommends that the City Council RECEIVE & FILE the presentation from Southern California Edison (SCE).

### **FISCAL IMPLICATION:**

There is no fiscal impact associated with this report.

### **DISCUSSION:**

Scott Gobble of Southern California Edison (SCE) has asked for an opportunity to update the City Council on several SCE activities. Issues he will address include:

1. SCE's \$9 Billion Distribution System and \$4.3 Billion Transmission Grid Upgrade Program
2. New Proposed Generation and Peaker Plants to serve growing load
3. Expansion of Green Power Sources
4. Addition of capacitors to better serve voltage in Manhattan Beach
5. SCE cable replacement near SCE's substations
6. Circuit balancing in the Tree Section to serve new customer demands
7. Deteriorated Pole Replacement

This is an information item only to Receive & File.
