Staff Report

City of Manhattan Beach

TO: Honorable Mayor Cohen and Members of the City Council

THROUGH: Geoff Dolan, City Manager

FROM: Richard Thompson, Director of Community Development
Laurie B. Jester, Planning Manager

DATE: July 21, 2009

SUBJECT: Consideration of an Ordinance to Extend Hours of Operation for Businesses for Certain Holidays

RECOMMENDATION:

Staff recommends that the City Council **DISCUSS, WAIVE FURTHER READING, INTRODUCE ORDINANCE NO. 2126, AND SCHEDULE SECOND READING AND ADOPTION** for August 4, 2009.

FISCAL IMPLICATION:

There are no direct fiscal implications associated with the recommended action.

BACKGROUND AND DISCUSSION:

On April 21, 2009 the City Council received a request from the Downtown Manhattan Beach Business Association to extend the hours of operation for restaurants for certain holidays. The letter requested that certain holidays be treated as weekends when they occur during the week. The Association felt that these Holidays are celebrated as weekend events and therefore extended hours would be appropriate. At that meeting the City Council requested that staff further examine the request and report back. The Council also indicated that it would be appropriate to have the provisions apply to businesses Citywide, not just in the Downtown.

Based on that direction the City Planning Division, Police Department and City Attorneys office reviewed the proposal, discussed options and made a recommendation to the City Council on July 7th for a more comprehensive approach. Staff felt that certain holidays, different from those proposed by the Downtown Association, may be appropriate for extended hours as they would be less disruptive to residents who generally would not be at work or school the following day. Other Holidays staff did not recommend extended hours due to the likely disruption to residents. The approach proposed by staff on July 7th was to extend the hours of operation for certain holidays for all restaurants, bars, hotels and facilities within hotels.

The City Council discussed the proposal and felt that a Citywide increase in hours for New Years Eve would be appropriate as this one holiday per year is widely recognized and celebrated. However, the Council felt that it would not be appropriate to extend business hours for other

holidays as some businesses may be in close proximity to residential uses which could have a negative impact. The Downtown Business Association felt that two other holidays, the Sundays before Memorial Day and Labor Day were also important for extended hours and the City Council requested that staff and the Planning Commission review these further and return to the Council with a recommendation. The Council felt that if businesses wanted extended hours on other holidays that they should request Use Permit Amendments that would be reviewed on a case by case basis. The Council also requested that the list of businesses with alcohol licenses be posted on the City website. Staff has posted the list, and is in the process of adding additional information and when the updated list is completed it will be posted on the web.

The proposed Draft Ordinance, Attachment A, would amend the Businesses, Professions and Trades Code, Title 6, as well as provide a cross-reference in the Zoning Code, to extend business hours for New Years Eve only to the hours allowed on Saturday if New Years Eve occurs midweek, for all restaurants, bars, hotels and facilities within hotels.

CONCLUSION:

Staff requests that the City Council accept public input, discuss, waive further reading, introduce Ordinance No. 2126, and schedule the second reading and adoption for August 4, 2009.

SUBJECT: Consideration of a Request by the Downtown Merchants Association to Extend Hours of Operation for Certain Holidays

RECOMMENDATION:

Staff recommends that the City Council **DISCUSS, WAIVE FURTHER READING, INTRODUCE ORDINANCE NO. 2126, AND SCHEDULE SECOND READING AND ADOPTION** for July 21, 2009.

FISCAL IMPLICATION:

There are no direct fiscal implications associated with the recommended action.

BACKGROUND AND DISCUSSION:

On April 21, 2009 the City Council received a request from the Downtown Manhattan Beach Business Association to extend the hours of operation for restaurants for certain holidays. The letter, attachment A, requested that certain holidays be treated as weekends when they occur during the week. The Association felt that these Holidays are celebrated as weekend events and therefore extended hours would be appropriate. At that meeting the City Council requested that staff further examine the request and report back. The Council also indicated that it would be appropriate to have the provisions apply to businesses City wide, not just in the Downtown.

Based on that direction the City Planning Division, Police Department and City Attorneys office reviewed the proposal, discussed options and made a recommendation for revisions to the Municipal Code, as indicated in the attached Draft Ordinance (Attachment B). The proposal would extend the hours of operation for certain holidays for all restaurants, bars, hotels and facilities within hotels Citywide. Staff felt that certain holidays, different from those proposed by the Downtown Association, may be appropriate for extended hours as they would be less disruptive to residents who generally would not be at work or school the following day. Other Holidays staff did not recommend extended hours due to the likely disruption to residents. Staff will revise the proposed Holidays and hours as necessary after the City Council reviews and discusses the proposal. The following summarizes the proposal from the Downtown Association and the comments and recommendations from staff.

4 TH OF JULY EVE	12:00 PM	MAJORITY OF PEOPLE DO NOT WORK OR GO TO SCHOOL THE FOLLOWING DAY (JULY 4 TH) SO MINIMAL IMPACTS. ALSO IS SUMMERTIME SO NO SCHOOL IMPACT.
ST. PATRICKS DAY	NO CHANGE	DAY SOMETIMES USED BY ADULTS TO INDULGE LATE AT NIGHT. NEXT DAY IS A WORK AND SCHOOL DAY NORMALLY.

* DAYS PROPOSED FOR EXTENDED HOURS BY THE DOWNTOWN BUSINESS ASSOCIATION. NO HOUR LIMIT WAS PROPOSED BY THE ASSOCIATION.

The proposed hours would extend any closing hour limitations required by the businesses Use Permit or other discretionary permit. The Police Department felt that this would be easier to enforce one closing hour for all businesses on these holidays instead of extending each business based on the hours in their individual Use Permit as suggested by the Downtown Association. If the Use Permit or other permit allows longer hours then those longer hours are still applicable. Attached as reference is a chart that shows the allowed hours for Downtown businesses with alcohol licenses. (Attachment C) The proposal would amend the Businesses, Professions and Trades Code, Title 6, as well as provide a cross-reference in the Zoning Code.

CONCLUSION:

Staff requests that the City Council accept public input, discuss, waive further reading, introduce Ordinance No. 2126, and schedule the second reading and adoption for July 21, 2009.
