City of Manhattan Beach

TO: Honorable Mayor Cohen and Members of the City Council

THROUGH: Geoff Dolan, City Manager 

FROM: Scott Ferguson, Fire Chief 
Rod Uyeda, Police Chief 
Gwen Eng, General Services Manager
Julie Dahlgren, Management Analyst 

DATE: August 4, 2009

SUBJECT: Consideration of a Resolution Authorizing the Grant Funded Purchase of Self-Contained Breathing Apparatus (SCBA) from Allstar Fire Equipment in the Amount of \$106,951 and Law Enforcement Robot in the Amount of \$10,579.

RECOMMENDATION:

Staff recommends that the City Council: a) adopt Resolution No. 6205 authorizing the City Manager to execute the necessary documents to accept the 2008 State Homeland Security Grant award; b) waive formal bidding per Municipal Code Section 2.36.160 (cooperative purchasing); c) authorize the purchase of Self-Contained Breathing Apparatus (SCBA) from Allstar Fire Equipment in the Amount of \$106,951; d) authorize staff to administratively purchase law enforcement robot in the amount of \$10,579; and e) appropriate \$117,530 from the General Fund which will be reimbursed at a later date by grant funds from the Department of Homeland Security (DHS).

FISCAL IMPLICATION:

These are not budgeted items; however, the purchases will be fully reimbursed by DHS. In addition, the City must first purchase the state-approved items and then submit request for reimbursement. As a result, an appropriation of \$117,530 from the General Fund is needed. There are no City fund matching requirements.

BACKGROUND:

The City of Manhattan Beach was awarded funding from the 2008 State Homeland Security Grant Program (SHSGP) in the amount of \$117,530. Funding goes to state and local governments to protect against, respond to, and recover from terrorist attacks and other disasters. The City of Manhattan Beach has received funding from SHSGP every year since 2001.

DISCUSSION:

The State Homeland Security Grant Program funds are awarded for the express purpose of purchasing specific equipment and technology, as approved by the state.

This year, we have been approved for the purchase of the following state-approved equipment:

Self-Contained Breathing Apparatus: \$106,951

In December 2007, the Federal Government released new standards (NFPA 1981) for breathing apparatus intended to create an enhanced level of protection for firefighters in the event of Chemical/Biological/Radiological/Nuclear/Explosive (CBRNE) incidents. Almost all of the 31 fire departments within Los Angeles County currently use a product that does not meet the new Federal CBRNE standard for SCBA. The Los Angeles Area Fire Chiefs Association (LAAFCA) recognized this deficiency would occur and began to solicit grant funds to close the deficiency gap. What developed was a three-year homeland security grant program that would outfit every posted firefighter position within LA County with a SCBA (2,883 firefighters on duty each day) that meets these new standards. This grant allows every department to receive SCBAs that would cover the on-duty firefighter needs, with the agreed understanding that reserve equipment needs and specialized products (repair equipment, annual fit testing equipment, radio communication interfacing, etc.) would be borne from individual department budgets.

The Fire Department recently purchased nine SCBA units and equipment with 2006 SHSGP funds (please reference Attachment 2) from Allstar Fire Equipment through the formal bid process (Bid #781-09). This vendor has offered to extend the same pricing as this previous purchase. In addition, the manufacturer gave special pricing to Allstar Fire Equipment; consequently, it is unlikely that we would gain any advantages by requesting another formal bid. Staff recommends that Council waive formal bidding per Municipal Code Section 2.36.160 (cooperative purchasing) and authorize the purchase of additional SCBA units from Allstar Fire Equipment in the amount of \$106,951.

Mobile Tactical Surveillance Robot: \$10,579

The Police Department received a grant allocation of \$10,579 to purchase a small mobile robot which will be deployable by officers and will provide real-time video for tactical law enforcement operations, hazardous operations, surveillance & detection, active shooter incidents, hostage rescue, improvised explosive device inspection, and inspection of tight/confined spaces. Staff requests that Council authorize the administrative purchase of the robot with SHSGP grant funds in the amount of \$10,579.

If Council approves these recommendations, staff anticipates purchasing all items within three to four months.

Notwithstanding the provisions of §502, below, any increase or decrease in the grant amount specified in §301 A., above, shall not require a written amendment to this Agreement.

2. County shall make a good-faith effort to notify Subrecipient, in writing, of such non-appropriation at the earliest time.

SECTION IV

STANDARD PROVISIONS

§401. Construction of Provisions and Titles Herein

All titles or subtitles appearing herein have been inserted for convenience and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Agreement shall be construed according to its fair meaning and not strictly for or against either party.

§402. Applicable Law, Interpretation and Enforcement

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the County of Los Angeles. This Agreement shall be enforced and interpreted under the laws of the State of California and the County of Los Angeles.

This Agreement sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous agreements or understandings, whether written or oral, relating thereto. This Agreement may be amended only as provided for herein.

§404. Breach

If any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

Each of the parties to this Agreement is a public entity. This indemnity provision is written in contemplation of, but irrespective of the applicability of, the provisions of Section 895.2 of the Government Code of the State of California imposing certain tort liability jointly upon public entities, solely by reason of such entities being parties to an agreement as defined by Section 895 of said Code. Hence, this indemnity applies regardless of whether or not Section 895 et seq. is deemed to apply to this Agreement. The parties hereto, as between themselves, consistent with the authorization contained in Section 895.4 and 895.6 of said Code, irrespective of its applicability, agree to each assume the full liability imposed upon it or upon any of its officers, agents, or employees by law, for injury caused by a negligent or wrongful act or omission occurring in the performance of this Agreement, to the same extent that such liability would be imposed in the absence of Section 895.2 of said Code. To achieve the above-stated purpose, each party agrees to indemnify and hold harmless the other party for any liability arising out of its own negligent acts or omissions (i.e., the Subrecipient agrees to indemnify and hold harmless the County of Los Angeles for liability arising out of the Subrecipient's negligent or wrongful acts or omissions, and the County of Los Angeles agrees to indemnify and hold harmless the Subrecipient for liability arising out of the County of Los Angeles' negligent acts or omissions. In the same vein, each party agrees to indemnify and hold harmless the other party for liability that is imposed on the other party solely by virtue of said Section 895.2, if applicable. The provision of Section 2778 of the California Civil Code is made a part hereto as if fully set forth herein. Subrecipient certifies that it has adequate self insured retention of funds to meet any obligation arising from this Agreement.

Staff Report

City of Manhattan Beach

TO: Honorable Mayor Cohen and Members of the City Council

THROUGH: Geoff Dolan, City Manager

FROM: Scott Ferguson, Fire Chief
Bruce Moe, Finance Director
Gwen Eng, General Services Manager

DATE: June 2, 2009

SUBJECT: Consideration of the Purchase of Self-Contained Breathing Apparatus (SCBA) from Allstar Fire Equipment in the Amount of \$50,650.83

RECOMMENDATION:

Staff recommends that the City Council award Bid #781-09 to Allstar Fire Equipment in the amount of \$50,650.83 and appropriate \$50,650.83 from the unreserved General Fund balance which will be reimbursed at a later date by funding from the State Office of Homeland Security.

FISCAL IMPLICATION:

These are not budgeted items; however, the purchase will be fully reimbursed by the State Office of Homeland Security. In addition, the City must first purchase the approved items and submit a request to the State Office of Homeland Security for reimbursement. As a result, an appropriation of \$50,650.83 from the General Fund is needed.

BACKGROUND:

In December 2007, the Federal Government released new standards (NFPA 1981) for breathing apparatus intended to create an enhanced level of protection for firefighters in the event of Chemical/Biological/Radiological/Nuclear/Explosive (CBRNE) incidents. Almost all of the 31 fire departments within Los Angeles County currently use a product that does not meet the new Federal CBRNE standard for SCBA. The Los Angeles Area Fire Chiefs Association (LAAFCA) recognized this deficiency would occur and began to solicit grant funds to close the deficiency gap. What developed was a three-year homeland security grant program that would outfit every posted firefighter position within LA County with a SCBA (2,883 firefighters on duty each day) that meets these new standards. This grant allows every department to receive product that would cover the on-duty firefighter needs, with the agreed understanding that reserve equipment needs and specialized products (repair equipment, annual fit testing equipment, radio communication interfacing, etc.) would be borne from individual department budgets.

The County of Los Angeles was the lead agency on the 2006 State Homeland Security Grant as well as a formal bid for the equipment. It was initially hoped that all LA County agencies would

procure the same SCBA equipment; however, the bid was contested and declared void. As a result, the City cancelled the original order with L.N. Curtis & Sons that was approved by Council on August 5, 2008.

DISCUSSION:

Since this action affected all LA County agencies, the South Bay Fire Chiefs represented by Torrance, Manhattan Beach, Redondo Beach, Hermosa Beach, and El Segundo met to discuss the issue. It was determined that mutual aid occurred primarily amongst these five agencies and the majority have standardized on the Scott brand SCBA. Therefore, it was agreed that these agencies would upgrade and/or acquire the Scott NxG7 model.

Historically, the City has purchased by utilizing larger agencies' existing contracts. This is done because the State of California, L.A. County, and other large agencies purchase in greater quantities and consequently obtain preferential pricing. However, none were available that met the grant reimbursement deadlines, so staff solicited bids independently.

Bid Recaps

A total of four vendors were sent formal bid requests and two responses were received. The comparison below shows the aggregate price, including sales tax, discounts, and other fees.

<u>Bidder</u>	<u>Cost</u>
1. Allstar Fire Equipment	\$50,650.83
2. L.N. Curtis	No bid

The other vendors were polled why they didn't respond and both stated that the manufacturer offered special pricing to Allstar Fire Equipment, which was confirmed with the manufacturer, and that they would not be competitive. Staff believes the bid from Allstar Fire Equipment to be reasonable, and therefore recommends Council award an order to them. If this purchase is approved, delivery is expected in 4-6 weeks. Future purchases of the Scott product will be made through other grant opportunities or regular operating budget.
