Staff Report

City of Manhattan Beach

TO: Honorable Mayor Montgomery and Members of the City Council

THROUGH: David N. Carmany, City Manager

FROM: Richard Thompson, Director of Community Development
Angelica Ochoa, Assistant Planner

DATE: June 7, 2011

SUBJECT: Adoption of Ordinance No. 2143 to Amend the Zoning Code to Remove Required Public Hearing for Properties to be Designated as Culturally Significant Landmarks.

RECOMMENDATION:

Staff recommends that the City Council adopt Ordinance No. 2143.

FISCAL IMPLICATION:

Currently, there is no fee required to designate a property culturally significant and all administration is handled by current staffing levels. If the required public hearing is eliminated, no notice would be required. Therefore, staff would save money on publication, mailing and postage fees.

BACKGROUND:

On May 17, 2011, the City Council reviewed the Planning Commissions recommendations to revise the Culturally Significant Landmark Ordinance to not require a public hearing for properties to be designated as historical landmarks. After receiving public input, discussing the proposed revisions, the City Council introduced Ordinance No. 2143 and scheduled the second reading and adoption for the June 7, 2011 City Council meeting.

CONCLUSION:

The proposed revisions to the Cultural Significant Landmark regulations are intended to meet the City Council's goal of providing cultural awareness and appreciation to the residents. The proposed language streamlines the designation process and makes it more efficient. Also, the Manhattan Beach Cultural Heritage Conservancy provides community outreach through brochures, meetings, letters to residents and the City's website. Staff recommends that the City Council adopt Ordinance No. 2143.

CULTURAL SIGNIFICANT LANDMARKS OF THE MANHATTAN BEACH
MUNICIPAL CODE (MBMC) FOR REMOVAL OF A REQUIRED PUBLIC
HEARING FOR PROPERTIES TO BE DESIGNATED CULTURALLY
SIGNIFICANT LANDMARKS

THE CITY COUNCIL OF THE CITY OF MANHATTAN BEACH, CALIFORNIA, DOES
ORDAIN AS FOLLOWS:

SECTION 1. The City Council hereby makes the following findings:

- A. The City Council adopted Historical Ordinance No. 2089 on September 6, 2006 to recognize properties of local, historical or architectural significance; and,
- B. The City Council established a procedure to designate culturally significant landmarks by the owner of record of any property within City boundaries which requires a public hearing prior to designation; and,
- C. The City Council directed staff to amend Chapter 10.86, Section 10.86.040, Procedure for Designation of Culturally Significant Landmarks, of Title 10 of the Municipal Code to eliminate the need for a required public hearing prior to designating a property culturally significant as part of the 2011-2012 City Council Work Plan and,
- D. The Planning Commission held a public hearing on April 13, 2011 to review amendments to Chapter 10.86, Section 10.86.040, Procedure for Designation of Culturally Significant Landmarks of Title 10 of the Municipal Code to remove the need for a required public hearing for designating a property culturally significant and adopted Resolution No. PC 11-05 recommending approval to the City Council. All future property designations would be considered at a public meeting held by the City Council where the public would have the opportunity to comment.
- E. On May 17, 2011, the City Council held a public hearing, considered the Planning Commission Recommendation and introduced Ordinance No. 2143 for approval of the Amendments.
- F. Pursuant to California Environmental Quality Act (CEQA) and the Manhattan Beach CEQA Guidelines, the subject amendments are exempt in that they are covered by the general rule that CEQA [Section 15061 (3)] only applies to projects which have the potential for causing a significant effect on the environment, and since it can be seen with certainty that there is no possibility that the activity will have a significant effect on the environment, the activity is not subject to CEQA.

SECTION 2. The City Council of the City of Manhattan Beach hereby modifies Chapter 10.86, Section 10.86.040 of the Manhattan Beach Municipal Code by revising as follows:

Section 10.86.040 Procedure For Designation of Culturally Significant Landmark

The owner of record of any property (or, with regard to publicly owned properties, any Manhattan Beach resident) within City boundaries may apply to the Director of Community Development or his or her designee for that property to be designated as a Culturally Significant Landmark on a form developed by the Community Development Department for the purpose. The application shall identify the property, shall contain a brief description of the site, building structure or significant horticultural development, the reasons why the site is considered culturally significant and a discussion of any request for signage

memorializing the designation. A copy of any such application shall be forwarded to the Manhattan Beach Historical Society and Manhattan Beach Cultural Heritage Conservancy, or the current local historical group recognized by the City, which shall be invited to formally comment on the application. Within ninety (90) days of receipt of the application City staff shall schedule a public meeting by the City Council to consider any such application. The decision of the City Council shall be final with regard to any such application.

SECTION 3. The City Council of the City of Manhattan Beach hereby modifies Chapter 10.86, Section 10.86.080 of the Manhattan Beach Municipal Code by revising as follows:

Section 10.86.080 Removal of Designation As A Culturally Significant Landmark

The owner of a designated culturally significant site may, at any time, apply to have the designation removed. The property owner shall file a written statement with the Director of Community Development or his or her designee setting forth the reasons for the request for removal. Any such removal shall require an action by the City Council at a public meeting.

SECTION 4. If any sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or otherwise invalid, such decision shall not affect the validity of the remaining provisions of this Ordinance. The City Council hereby declares that it would have passed this Ordinance and each sentence, clause or phrase thereof irrespective of the fact that any one or more sentences, clauses or phrases be declared unconstitutional or otherwise invalid.

SECTION 5. Any provisions of the Manhattan Beach Municipal Code, or appendices thereto, or any other Ordinance of the City, to the extent that they are inconsistent with this Ordinance, and no further, are hereby repealed.

SECTION 6. This Ordinance shall go into effect and be in full force and operation from and after thirty days after its final passage and adoption.

SECTION 7. The City Clerk shall cause this Ordinance or a summary thereof to be published and, if appropriate, posted, as provided by law. Any summary shall be published and a certified copy of the full text of this Ordinance posted in the Office of the City Clerk at least five (5) days prior to the City Council meeting at which this Ordinance is to be adopted. Within fifteen (15) days after the adoption of this Ordinance, the City Clerk shall cause a summary to be published with the names of those City Council members voting for and against this Ordinance and shall post in the Office of the City Clerk a certified copy of the full text of this Ordinance along with the names of those City Council members voting for and against the Ordinance.

Staff Report

City of Manhattan Beach

TO: Honorable Mayor Montgomery and Members of the City Council

THROUGH: David N. Carmany, City Manager

FROM: Richard Thompson, Director of Community Development
Angelica Ochoa, Assistant Planner

DATE: May 17, 2011

SUBJECT: Consideration of City Council 2011-2012 Work Plan Item to Amend the Zoning Code to Remove a Required Public Hearing for Properties to be Designated as Culturally Significant Landmarks as Recommended by the Planning Commission

RECOMMENDATION:

Staff recommends that the City Council conduct the public hearing, waive further reading, and introduce Ordinance No. 2143 to amend the Zoning Code to remove a required public hearing for properties to be designated as Culturally Significant Landmarks.

FISCAL IMPLICATION:

Currently, there is no fee required to designate a property culturally significant and all administration is handled by current staffing levels. If the required public hearing is eliminated, no notice would be required. Therefore, staff would save money on publication, mailing and postage fees.

BACKGROUND:

The City Council adopted Ordinance No. 2089 on September 5, 2006, establishing Chapter 10.86 Culturally Significant Landmarks (Exhibit A), to recognize properties of cultural significance without depriving property owners of their rights to develop. The designation process is voluntary on behalf of the property owner. Per Section 10.86.040 of Chapter 10.86, the procedure to designate a property culturally significant includes an application, brief description of the site, and the reasons why it is culturally significant. Within ninety (90) days, a scheduled public hearing and notice to property owners within five hundred (500) feet is required by City staff for consideration by the City Council. The City Council has designated 10 culturally significant properties in the City of Manhattan Beach since the adoption of the ordinance.

The City Council requested that staff amend the current code to eliminate the need for a public hearing prior to designating a home a cultural significant landmark, as part of the 2011-2012 City Council work plan adopted on March 1, 2011. The subject item went to the Planning Commission for consideration on April 13, 2011.

DISCUSSION:

At its regular meeting of April 13, 2011, (Exhibit C), the Planning Commission held a public hearing, discussed the item and received public input. After public comment was received, the Planning Commission adopted PC Resolution No. 11-05 (Exhibit B), that recommends amending Section 10.86.040, Procedure for Designation of Culturally Significant Landmarks of the Municipal Code, to eliminate the need for a public hearing. The changes are reflected as underline/strikeout text in the attached Resolution (PC No. 11-05). Additionally, staff is recommending amending Section 10.86.080, Removal of Designation of Culturally Significant Landmark, to eliminate a required public hearing to be consistent with the designation process. The Planning Commission felt that eliminating the need for a public hearing saves staff preparation time, streamlines the process, and therefore is a benefit in designating properties culturally significant in the City. This change will also bring awareness to the community of more cultural significant properties as the designation process will be more efficient. Staff feels that this change will alleviate delays and move the process of designating properties more quickly. Also, the Manhattan Beach Cultural Heritage Conservancy provides sufficient outreach and awareness to the community through brochures, meetings, letters to residents and the City's website.

In considering future applications for designating properties culturally significant, if the amendment is approved by the City Council, the application would not require a noticed City Council public hearing. Any future designations would require a staff report and be considered under General Business item at a public meeting held by the City Council. Thus, the public would still have the opportunity to comment on any property being considered to be designated culturally significant.

Also, the Planning Commission approved to adding the Manhattan Beach Cultural Heritage Conservancy, which is the formal name of the Landmark Task Force, to review and comment on applications of properties being designated. This group was appointed by the City Council on November 8, 2006 to increase public awareness and appreciation of the City's cultural heritage. This change will provide notice to this group, as well as the Manhattan Beach Historical Society as currently required, or any future local historical group. The Planning Commission recognized the Manhattan Beach Cultural Heritage Conservancy for identifying historical structures in the City, helping the community with the processing of designating properties and bringing cultural awareness to the residents.

A notice to consider the removal of the required public hearing for culturally significant landmarks was published with a ¼ page ad in the Beach Reporter on May 5, 2011.

ENVIRONMENTAL DETERMINATION:

Pursuant to California Environmental Quality Act (CEQA) and the Manhattan Beach CEQA Guidelines, the subject amendments are exempt in that they are covered by the general rule that CEQA [Section 15061 (3)] only applies to projects which have the potential for causing a significant effect on the environment, and since it can be seen with certainty that there is no possibility that the activity will have a significant effect on the environment, the activity is not subject to CEQA.

CONCLUSION:

Staff recommends that the City Council consider and approve a Zoning Code Amendment to

Chapter 10.86, Section 10.86.040 (Procedure for Designation of Culturally Significant Landmark) and Section 10.86.080 (Removal of Designation As A Culturally Significant Landmark) and introduce Ordinance No. 2143 for the removal of a required public hearing for properties to be designated as culturally significant landmarks in the City of Manhattan Beach and add the Manhattan Beach Cultural Heritage Conservancy to review and comment on applications for consideration of culturally significant properties.

SUBJECT: City Council 2011-2012 Work Plan Item: Zoning Code Amendment For Removal of Required Pubic Hearing For Properties to be Designated as Culturally Significant Landmarks

RECOMMENDATION

Staff recommends that the Planning Commission **CONDUCT** the **PUBLIC HEARING**, **ADOPT** the attached **RESOLUTION** recommending approval to the City Council for a zoning code amendment for the removal of a required public hearing for properties to be designated as culturally significant landmarks

BACKGROUND

On September 5, 2006, the City Council adopted Ordinance No. 2089 establishing Chapter 10.86 Culturally Significant Landmarks (Exhibit A), to recognize properties of cultural significance without depriving property owners of their rights to develop. The designation process is voluntary on behalf of the property owner. Per Section 10.86.040 of Chapter 10.86, the procedure to designate a property culturally significant includes an application, brief description of the site, and the reasons why it is culturally significant. Within ninety (90) days, a scheduled public hearing and notice to property owners within five hundred (500) feet is required by City staff for consideration by the City Council. The City Council has designated 10 culturally significant properties in the City of Manhattan Beach since the adoption of the ordinance.

DISCUSSION

The 2011-2012 City Council work plan adopted on March 1, 2011 states that staff will amend the current code to eliminate the need for a public hearing prior to designating a home a historical landmark. Staff is requesting the Planning Commission to consider an amendment to Chapter 10.86, Section 10.86.040 Procedure for Designation of Culturally Significant Landmarks of the Municipal Code to eliminate the need for a required public hearing prior to designating a property a culturally significant landmark. This change is reflected as a redline/strikeout in the attached Draft Resolution and is attached as Exhibit B. In considering future applications for designating properties culturally significant, if the amendment is approved, the application would not require a noticed City Council public hearing. Any future designations would be considered at a public meeting held by the City Council. Thus, the public would still have the opportunity to comment on any property being considered to be designated culturally significant.

EXHIBIT C
CC mtg. 5/17/11

Also, the Manhattan Beach Cultural Heritage Conservancy, the Landmark Task Force that has been working to increase public awareness and appreciation of the City's cultural heritage, has been added to Section 10.86.040 to review and comment on applications of properties being considered for historical significance. This revision will provide notice to this group, as well as the Manhattan Beach Historical Society as currently required, or any future local historical group.

A notice to consider the removal of the required public hearing for culturally significant landmarks was published with a ¼ page ad in the Beach Reporter on March 31, 2011.

ENVIRONMENTAL DETERMINATION

Pursuant to California Environmental Quality Act (CEQA) and the Manhattan Beach CEQA Guidelines, the subject amendments are exempt in that they are covered by the general rule that CEQA [Section 15061 (3)] only applies to projects which have the potential for causing a significant effect on the environment, and since it can be seen with certainty that there is no possibility that the activity will have a significant effect on the environment, the activity is not subject to CEQA.

CONCLUSION

Staff recommends that the Planning Commission consider and recommend approval to the City Council of the proposed Zoning Code Amendment of Chapter 10.86, Section 10.86.040 for removal of a required public hearing for properties to be designated as culturally significant landmarks in the City of Manhattan Beach

DRAFT RESOLUTION NO. PC 11-XX

RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MANHATTAN BEACH AMENDING TITLE 10, CHAPTER 10.86, CULTURAL SIGNIFICANT LANDMARKS OF THE MANHATTAN BEACH MUNICIPAL CODE (MBMC) FOR REMOVAL OF A REQUIRED PUBLIC HEARING FOR PROPERTIES TO BE DESIGNATED CULTURALLY SIGNIFICANT LANDMARKS

THE PLANNING COMMISSION OF THE CITY OF MANHATTAN BEACH DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The Planning Commission hereby makes the following findings:

- A. The City Council adopted Historical Ordinance No. 2089 on September 6, 2006 to recognize properties of local, historical or architectural significance; and,
- B. The City Council established a procedure to designate culturally significant landmarks by the owner of record of any property within City boundaries which requires a public hearing prior to designation; and,
- C. The City Council directed staff to amend Chapter 10.86, Section 10.86.040, Procedure for Designation of Culturally Significant Landmarks, of Title 10 of the Municipal Code to eliminate the need for a required public hearing prior to designating a property culturally significant as part of the 2011-2012 City Council Work Plan and,
- D. The Planning Commission held a public hearing on April 13, 2011 to review amendments to Chapter 10.86, Section 10.86.040, Procedure for Designation of Culturally Significant Landmarks of Title 10 of the Municipal Code to remove the need for a required public hearing for designating a property culturally significant. All future property designations would be considered at a public meeting held by the City Council where the public would have the opportunity to comment.
- E. Pursuant to California Environmental Quality Act (CEQA) and the Manhattan Beach CEQA Guidelines, the subject amendments are exempt in that they are covered by the general rule that CEQA [Section 15061 (3)] only applies to projects which have the potential for causing a significant effect on the environment, and since it can be seen with certainty that there is no possibility that the activity will have a significant effect on the environment, the activity is not subject to CEQA.

SECTION 2. The Planning Commission of the City of Manhattan Beach hereby recommends modifying Chapter 10.86, Section 10.86.040 of the Manhattan Beach Municipal Code by revising as follows:

Section 10.86.040 Procedure For Designation of Culturally Significant Landmark

4. PUBLIC HEARINGS

04/13/11-1 Consideration of City Council 2011-2012 Work Plan Item: Zoning Code Amendment for Removal of Required Public Hearing for Properties to be Designated as Culturally Significant Landmarks.

Planning Manager Jester summarized the staff report.

In response to a question from Commissioner Fasola, Planning Manager Jester indicated that the process for designating a culturally significant landmark would continue to include preparation of a staff report with the proposed Zoning Code Amendment. She commented that the only change that is proposed is to remove the requirement to have a noticed public hearing for the designation of culturally significant landmarks.

In response to a question from Vice-Chairperson Andreani, Planning Manager Jester said that proposals for designating culturally significant landmarks would be placed under General Business Items on the City Council meeting agenda. She indicated that the proposals would be presented by staff and discussed by the City Council with an opportunity for public input. She commented that the proposed change is that the property owners within 500 feet of the subject sites would not receive notice and the hearings would not be noticed in the Beach Reporter. She indicated, however, that the proposals would be placed on the City Council's agenda and the staff reports would be posted on the website.

In response to a question from Vice-Chairperson Andreani, Planning Manager Jester stated that the City issues a bronze plaque and letter to certify that a site is a culturally significant landmark.

Vice-Chairperson Andreani opened the public hearing.

Public Input

Jan Dennis indicated that their group consists of ten members. She said that their group provides the City Council with a brief description of the house that is proposed to be designated as a culturally significant landmark. She commented that not requiring noticing for the hearings would take a burden off of staff, and they are happy with the proposal. She commented that they would like for the name of their group to be correctly referred in the landmark designations as the Cultural Heritage Conservancy. She indicated that they are going to be having a fundraiser to help get more people involved in their group. She stated that there are buildings over 100 years that have been designated as culturally significant landmarks. She said that they appreciate the help of the City.

Robin Kirk indicated that she has worked with staff for three years on preparing write-ups of the properties proposed to be designated as culturally significant landmarks. She said that the request is before the Commission because they have worked with staff to streamline the process and feel that noticing the hearings is not necessary. She indicated that eliminating the requirement for noticing would save the City money.

Vice-Chairperson Andreani closed the public hearing.

Commission Discussion

Commissioner Fasola stated that he supports the proposal to streamline the process for designating culturally significant landmarks.

Commissioner Seville-Jones said that she supports the proposal. She indicated that it is a benefit to reduce the amount of time required to identify structures as culturally significant. She stated that is a great gift to have community members helping to identify culturally significant landmarks, as staff is pressed in their time. She commented that the reports that are prepared on the subject properties are well done and provide a background of the structures and their history as part of the City. She thanked the members of the Conservancy for their work.

Vice-Chairperson Andreani thanked the members of the Cultural Heritage Conservancy. She said that the Ordinance as proposed would help to speed up the process of bringing culturally significant landmarks to the attention of the community. She indicated that designating culturally significant landmarks is an important part of recognizing the City's heritage. She also pointed out that no property rights are taken away by designating properties as culturally significant landmarks. She indicated that she supports the proposal.
