COMMUNITY DEVELOPMENT DEPARTMENT**

TO: Planning Commission

THROUGH: Richard Thompson, Director of Community Development

FROM: Laurie B. Jester, Planning Manager

DATE: September 9, 2009

SUBJECT: Consideration of Code Amendments to Allow All Restaurants, Bars, Hotels, Facilities Within Hotels, and Similar Commercial Businesses to Remain Open Until 1:00 AM on New Years and Allow Extended Hours on the Sundays Before Memorial Day and Labor Day.

RECOMMENDATION

Staff recommends that the Planning Commission **CONDUCT** the **PUBLIC HEARING, DISCUSS, PROVIDE DIRECTION AND CONTINUE THE PUBLIC HEARING.**

BACKGROUND

On April 21, 2009 the City Council received a request from the Downtown Manhattan Beach Business Association to extend the hours of operation for restaurants for certain holidays. They requested that some holidays be treated as weekends when they occur during the week. The Association felt that certain Holidays are celebrated as weekend events and therefore extended hours would be appropriate. At that meeting the City Council requested that staff further examine the request and report back, and consider having the provisions apply to businesses City wide, not just in the Downtown.

Based on that direction the City Planning Division, Police Department and City Attorneys office reviewed the proposal, discussed options and made a recommendation to the City Council on July 7th for a more comprehensive approach. Staff felt that certain holidays may be appropriate for extended hours as they would be less disruptive to residents who generally would not be at work or school the following day. The hours proposed by staff at that time would extend any closing hour limitations required by the businesses Use Permit or other discretionary permit. If the Use Permit or other permit allows longer hours then those longer hours would still be applicable. The Police Department felt that this would be easier to enforce one closing hour for all businesses on these holidays instead of extending each business based on the hours in their individual Use Permit. The approach proposed by staff on July 7th was to extend the hours of operation for certain holidays for all restaurants, bars, hotels and facilities within hotels.

The City Council discussed the proposal and felt that a Citywide increase in hours for New Years Eve would be appropriate as this one holiday per year is widely recognized and celebrated. However, the Council felt that it would not be appropriate to extend business hours for other holidays as some businesses may be in close proximity to residential uses which could have a negative impact.

On August 4, 2009 the Council adopted Ordinance No 2126 which amended the Businesses, Professions and Trades Code, Title 6, as well as provided a cross-reference in the Zoning Code, to extend business hours for New Years Eve only. The amendment allows all restaurants, bars, hotels and facilities within hotels to stay open to the hours allowed on Saturday if New Years Eve occurs midweek, which for the majority of the businesses is 12:00 AM (midnight) or later as indicated in the chart below.

The City Council requested that staff and the Planning Commission review two other holidays, the Sundays before Memorial Day and Labor Day, for possible extended hours, as well as allowing businesses to remain open until 1:00 on New Years, and return to the Council with a recommendation. The Council felt that if businesses wanted extended hours on other holidays that they should request Use Permit Amendments that would be reviewed on a case by case basis.

DISCUSSION

One of the concerns that the City Council expressed with extending the hours Citywide is that there could be impacts to the surrounding properties, particularly residential uses. Staff has prepared several charts and a map for the Planning Commission to review and discuss to help address this concern. Below is a summary chart of the restaurants, bars, hotels and facilities within hotels, and the hours that they are allowed to remain open until, by their Use Permit or other approval, on Saturday night. This overview is intended to indicate what hour these businesses typically are allowed to close throughout town. The majority of these businesses in town are allowed to close between 12 am (midnight) and 2 am.

SATURDAY PERMITTED CLOSING HOURS- RESTAURANTS, BARS AND HOTELS	
SATURDAY ALLOWED CLOSING HOURS	NUMBER OF BUSINESSES
7:30 pm	1
9:00 pm	4
10:00 to 10:30 pm	6
11:00 to 11:30 pm	7
12:00 am	24
1:00 am	12
2:00 am	20
No limits or no Resolution	9
24 Hours	1
TOTAL	84

The vast majority of the businesses with Use Permits that are allowed to stay open until 2 am, which is the latest that alcohol can be served in accordance with State Alcoholic Beverage Control (ABC) regulations, were approved in the 1980’s or earlier, or there is no Use Permit, or no limits on the Use Permit. The twenty-nine (29) businesses that are allowed to remain open until 2 am, or have no listed closing hours, are split fairly evenly between the Downtown, the North End, Sepulveda and the Manhattan Village Mall. The newer Use Permits, approved in the

1990's and later, typically allow closing hours between 12 am (midnight) to 1am. Some businesses close earlier for a variety of reasons, including the original business may have only requested limited hours or the Planning Commission felt it was appropriate to limit hours to minimize potential impacts. Le Pain Quotidien is the business shown as being open until only 7:30 pm and the Kettle is the only approved 24 hour operation.

One half, or forty-two (42) of the eight-four (84) businesses listed are permitted to stay open until 1 am or later. Of these forty-two businesses, fourteen (14), or one-third (1/3) of the total, are located Downtown, while the North End, Sepulveda and the Manhattan Village Mall each have eight (8) businesses that are open until 1 am or later. The other four (4) businesses are on Rosecrans and other areas.

The attached map and charts provide more detail on the businesses, their location, operations, hours, type of alcohol allowed, entertainment, and most recent governing Resolution and its year of approval. (Attachments A- C.) The map shows the location of the businesses in relationship to residential zones and other zoning districts and uses.

NOTICE:

A ¼ page ad was published in the Beach Reporter advertising the Planning Commission meeting. The Downtown Business Association was also notified of the meeting.

CONCLUSION:

Staff requests that the Commission conduct the public hearing, review and provide direction to staff on the following items. Staff will then return at a future meeting with a draft Resolution with proposed language for revisions to the Municipal Code:

- 1- Allowing businesses to be open until 1:00 am on New Years Eve.
- 2- Allowing businesses to be open until 1:00 am or another hour the Sunday before Labor Day and the Sunday before Memorial Day.
