05/13/2011	Friday	<b>INCONSISTENT INTERPRETATION</b>		<b>Communication: Tim Doherty to Rosanna &amp; Jackie Harris</b>	Tim reached out to Rosanna, and planned meetings with neighbors. Rosanna thinks using backdoor violates CUP but Tim asked Sgt. Vargas and Vargas said it does not. The CLUB is working on less violations about noise. Tim asked Rosanna and neighbors to call him first before Police in the future. Says people with children, elderly, pregnant, band members, staff, and handicapped will still use backdoor. Draft reply - never sent: reply to Tim from Rosanna: major setback by hassling Rosanna's friend, Mark Lorman, who was a member of CLUB but even though he had nothing to do with these issues he was accused and bullied. Rosanna has lived here for a long time and doesn't want to get into petty fights. It is against the law
05/15/2011	Sunday	<b>SUGGESTION TO FROM NEIGHBORS</b>		<b>Communication: Neighbors</b>	Dave has

Rosanna began getting derogatory comments from 900 CLUB members prior to the meeting. She discussed comments received with Tim Doherty and that she is trying to help them resolve the situation. Tim said he would get a date and time to meet with Dave Rohrbacher.</u>

Tim and Dave unilaterally extended the back door time limit to be 10pm instead of what was previously agree upon as 9pm. They made excuses that the noise and problems was Mucho's or taxis cabs. Rosanna kept silent and let them blame everything and everyone else as getting compliance was the goal. We all agreed that Rosanna would have the neighbors text her if there was noise or problems then Rosanna would text them.

06/03/2012	Sunday	<b>VIOLATION &amp; Police INDIFFERENCE</b>	<b>1:16:00 AM</b>	<b>Email btwn Rosanna and Jackie</b>	Rosanna stated she was sick all week and needed to sleep. Police called out twice for excessive noise from band playing loud with over a dozen of people hanging out the back door. Rosanna did steps recommended by Jackie Harris when a problem - to state you will be a witness on a complaint , call the watch commander and specifically asked them to file a violation. Refusal by watch commander, Kitzios to cite the 900 CLUB after called out twice for 2 CUP violations. When the WC arrived the second time it was a few minutes before closing time 1:00am, yet the band was going and CLUB patrons in full swing and that was never noted. NO REPORT FILED BY PD.

06/04/2012	Monday	<b>NOISE COMPLAINT</b>		MBPD Rpt Filed #12-1938	<u>Report filed after Rosanna's visit to MBPD the day after to complain: 6/3/12 Police Report #12-1938 – "Noise complaint report". Rosanna never requested a copy of the report until much later. Report received was completely inaccurate and did not reflect her statements. The name of violating establishment was wrong, it blamed the Side Door instead of the 900 CLUB. The noise problem from the band and use of exit door was ongoing the entire evening and the Police were called out twice, yet the complaint only noted me calling the second time. There was no mention that the CLUB ignored the first call out warning. It did not mention that I asked the WC, Kitzius to cite the CLUB on 2 occasions and he refused. The reason for my visit was entirely blocked out of this report. ***Suggest review of audio***</u>

06/04/2012	Monday	<b>Police INEFFECTIVE &amp; WITHOUT FOLLOW THRU</b>		Rosanna visit to MBPD	<u>Rosanna went to MBPD the following day sick and after being up half the night without sleep to report that the Police did not handle the call outs appropriately. We had missed another opportunity to document the CLUB and that the WC on duty refused to file a report as requested twice by Rosanna. Sgt Small was at the window. I explained my complaint, what transpired and how the supervisor behaved in detail. He seem unconcerned and did not try to understand or resolve the problem instead, he told me to sit in the conference room. I went to sit in the conference room and then someone else came into the room and asked me questions and took a statement and Sgt. Small disappeared without talking with me further. **Suggest review audio to see how this was handled**</u>

The loud music, intoxicated bar patrons behaving badly, using the back door as a front entrance, no supervision or sound proofing has been ongoing to this pocket of neighborhood for years. Rosanna discovers that Dave Rohrbacher will not be at that meeting. She discusses with the City why he must be at that meeting. He is on site, he runs the CLUB and no one questions him on his behavior. Everyone is intimidated by him and he has full reign of all decisions. He does not do well in front of people as he gets agitated and angry quickly and has an authority problem so the CLUB will try to keep him away from any meetings. Dave is the entire problem. 10/18/2012	Thursday	<b>VIOLATION</b>		Police Report #12-3677	<u>Police Report #12-3677 "Violation of CUP by 900 CLUB" - This Police Report and its subsequent violation was only after Rosanna had to literally badger the Police ****Suggest someone review the audio to verify that the citation would not have occurred without Rosanna's aggressively appealing to the officers and not letting them walk away as they intended to do.**** Rosanna said the CLUB had loud patrons entering, exiting and loitering at the back door and it woke her up. Police arrived and did not go in CLUB. Spoke to CLUB at doorstep. Girl Bar worker hugs Kitzius. When Police are about to leave Rosanna approach them. Kitzius and Zin said they were not going to file a violation. Per the meetings with Joan Jenkins, they are not supposed to get warnings. They said all they saw was people smoking a cigar at the back door. Rosanna stated they woke her up and that is violating the noise ordinance and they are not to use the rear exit late at night. Rosanna told Kitzius the CLUB was supposed to be closed now. Kitzius did not know what time the CLUB was supposed to be closed and called someone to verify. Kitzius stated they really could use the back door, something about a gentlemen's agreement. I showed Kitzius the CUP and the Back Door Agreement by the City Attorney that says non- usage after 9pm. I asked why they didn't go inside to investigate operating after hours. He stated they did not want to walk in. I showed them my phone security tape of patrons loitering at the back door prior to me calling them. They go back over, knock on the door, wait 2 minutes before Dave comes to the back door and they enter the CLUB with him. The CLUB is serving alcohol and has 20 patrons inside and the Police note this violation of the CUP.</u>

11/06/2012	Tuesday	<b>TROUBLE OBTAINING Police Reports &amp; FEAR OF REPRAISAL</b>		Call: Rosanna to Lt. Ryan Small, MBPD	Rosanna and her neighbor (seperately) were unable to obtain Police Reports on incidents they reported. Rosanna asked Terri at Records to provide Police Reports on 3 dates and she stated she could not. Rosanna explained how involved she was with the incidents and had made statements to the officers and was as party to the report. Lt. Ryan said he would look into the voice recordings. Rosanne pointedly stated that she and her neighbors were afraid of retribution from the CLUB; however, anything post City Meeting of 6/25/12 where Rosana was told if she did not leave my name, the item was not actionable.
11/08/2012	Thursday	<b>PRESENTATION OF CASE TO PROSECUTION</b>		Communication: Lt. Small and Rosanna	Lt. Small indicated that he would be presenting the case to the prosecuting attorney Joan Jenkins tomorrow (November 9, 2012) for filing consideration.
11/08/2012	Thursday	<b>PROTOCOL CLARIFICATION AND FEAR OF REPRAISAL</b>		Email: Lt. Ryan Small to Rosanna	Ryan and Rosanna email – Ryan said the voice recording of the June 3, 2012 call log said that when Rosanna was asked if she wanted to leave her name she said no. She stated she didn't want to give her name as she didn't want the guys to do something to her house as they did in the past. This call was pre the City Meeting on 6/25/12 where Jenkins/Harrod explained in order for the complaint to be actionable you must leave a name. After that meeting Rosanna always left her name. Lt. Small never looked up the October 18, 2012 incident that she could not get a report for which would have been post City Meeting and Rosanna believes she would have left her name.

11/08/2012	Thursday	<b>INCONSISTENT Police COMMUNICATION</b>			NOTE: Rosanna's neighbor, Mark Tuccinardi, on October 7, 2012 was not asked to leave a name and number on the voice recording. Instead the question they asked was if he wanted to be contacted by the officers? He said he didn't. Then they asked again, do you want to be contacted or did you want to leave your name and phone number and he said no. The way they asked him did not make him feel like he was refusing. They made it seem like it was a choice with no consequences either way.

09/15/2013	Sunday	<b>HARRASSMENT, VANDALISM</b>		Email: Rosanna to Wayne Powell	We have no info about what the city has filed. My house has been vandalized and I have received news of the CLUB seeking revenge on me. This has had a very negative effect on me and my business. Joan said the DA isn't going to let the CLUB off and is meeting with the DA Monday. Asking Wayne how to get the DA to prosecute. I have been treated very badly by the officers involved in this but have been nothing but courteous. Waynes reply: the city council is prohibited in getting involved in pending prosecution matters. However my advice is to take videos/evidence to contact person at the DAs office

11/14/2013	Thursday	<b>CUP SHOULD BE REVISED TO PREVENT THE NEIGHBORHOOD FROM POLICING</b>		Meeting: Mark, Rosanna with Joan, MB Code Enforcer & Andy Harrod from MBPD	Joan had MBPD rep. Andy Harrod present in the meeting. Requested policy to curb the disregard the manager has for the city codes. He said the Diversion Agreement was weak and needed an effective agreement and the Police response needs training. CUP needs to be revised to meet today's standards. The burden of policing the CLUB has been placed on the residence. The city and Police have insider info from Lu of the CLUBs activities and nothing has been done. We have visited the Police Dept. and city at least a dozen times over two years and seen no change in the handling of complaints. Nor is there any convo about changing the CUP given all its flaws. We find it hard to believe they can't bring one person to comply with the handful of city codes. No response. Joan agreed to go over the plea bargain agreement paragraph by paragraph with Rosanna prior to finalizing. Never heard from her again on this topic
11/15/2013	Friday	<b>THX FOR MTG; 3 PRONGED APPROACH SUGGESTED</b>		Email: Rosanna to Joan Jenkins and A Harrod	3 pronged approach to curb 900 CLUB disregard to city regs: (1) Effective Diversion Agmt; (2) Police Response Training; (3) Updated CUP.
11/16/2013	Saturday	<b>CUP REGULATIONS</b>		Communication: Rosanna to Sgt. Saboski	Sgt. Saboski did not know what the CUP closing time was. Still officers don't know the CLUB is not supposed to be using the back door. Regarding Police Report 13-3570, Mark would like to file a noise disturbance certification additionally. What evidence is needed? Told to please speak with Andy Harrod, as we had met with him and Joan two days ago. No response

11/16/2013	Saturday	<b>BUSINESS WITNESS &amp; RQST FOR ACTIVE PURSUIT</b>	2:42:00 AM	Email: Rosanna to Joan, Andy, Mark T	Lou stated 900 CLUB has gotten bad again. In past 3 months there has been many violations. City needs to do more than talk; prosecute Dave and CLUB, go in bar to catch Dave for breaking multiple laws. Lou is a great witness that the city should be using but isn't. Lou could get in lots of trouble for this. Also don't tell Kitsios because he has relations with people involved with CLUB. Rosanna spoke to Lou, owner of the Red Room, the insider. He said their activities haven't changed and the city has to do more than talk. He is willing to cooperate and Lou has told most of this to Joan already. Rosanna also wrote that the band was playing until 1:22 AM, when it was supposed to be closed at 1AM.

Rosanna called Luttenegger and she saw alcohol on the counter and patrons in the bar at 1:30 am. This was not reported and is a violation of the CUP. 12/27/2013	Friday	<b>ASSISTANCE OBTAINING 2 DOCS</b>	9:56 AM	Email from Rosanna to John Jalili	Those aren't the documents I'm looking for. I am looking for old charges pending that Joan was to file if the Diversion Agreement wasn't reached, and it was not. We were told there were 3 charges pending prior to the failed plea bargain. Torrence DA gave us their one (1) charge at 9/24 meeting. Joan said she would give us 2 pending case files but she hasn't and we need them.
12/27/2013	Friday	<b>ASSISTANCE OBTAINING 2 DOCS</b>	10:34 AM	Email: John to Quinn	Criminal complaint forwarded containing three (3) counts to Rosanna yesterday. The same documents that Kerry gave Mark. Would like to put to be the notion that info is being withheld.
12/27/2013	Friday	<b>DIVERSION AGMT</b>	10:39 AM	Email: John to Rosanna	Still digging on the matter. Will get back to you know he finds something.
12/27/2013	Friday	<b>ASSISTANCE OBTAINING 2 DOCS</b>	10:38 AM	Email: Quinn to John	"Please contact Joan directly. Due to an ethical wall, I cannot be involved in the prosecution side."
12/27/2013	Friday	<b>RQST FOR CHARGES FILED</b>		Email: Rosanna to Joan	You had two additional charges you were going to prosecute or plea bargain. You told Laura Kenner, Maren, Mark, and myself about two pending charges that we have not received and would like to get. Joan's reply: all filed. You have all but most recent case from latest noise complaint. You have what I have. The fence, alcohol after hours and noise compliant. DA has other cases as well. Rosanna's reply: We simply want to know what his final charges are after the case building (not most recent 11/16/13). We have one charge and want to see other two. NOTE: The Diversion Agreement was a plea bargain for 3 pending charges. The DA immediately provided the 1st charge, what are the remaining 2 you were handling? Joan respond to Rosanna: I have filed cases we have spoken about. Space holders (where Joan's case complaint numbers should have went) in the Diversion Agreement gave you the wrong impression.
12/27/2013	Friday	<b>ITEMS NEEDED</b>	2:12:00 PM	Email: Rosanna to Joan	Need a response to the 2:25PM email sent on 12/12/13. Called you on 12/11, sent an email on 12/12 and called you after mtgs on 17th. Left message with Legal Dept for you.

12/27/2013	Friday	<b>CLARIFICATION OF CHARGES FILED</b>	7:32:00 PM	Email: Rosanna to Joan	I am assuming the 3 cases filed you are referring to below are the culmination of the evidence from 2011 and 2012. I have never discussed the most recent 11/16/13 charges with you. Not sure what space holders mean. we think there was 2 additional charges you were going to prosecute/plea bargain. also Maren McDermody at Torrance DA confirmed today at 3:35pm via telephone that in our 9/24/13 meeting you stated there were 2 charges you were filing – 1. For the fence 2. For operating after hours. That is the documentation we are seeking.
12/27/2013	Friday	<b>DIVERSION AGMT</b>	11:07 AM	Email: Rosanna to John	Appreciate the help. Have tried to obtain documents through a number of avenues. Apologies that this falls to him.
12/27/2013	Friday	<b>ASSISTANCE OBTAINING 2 DOCS</b>	10:19 AM	Email: Rosanna to John Jalili	Rosanna was told there were 3 charges pending prior to the failed plea bargain. Torrance DA gave Rosanna one charge and Joan said she would give Rosanna the 2 pending charges. 3 emails later, still no receipt of them. Would like to see them, in part because the plea bargaining being recommended.
12/27/2013	Friday	<b>3 CASES WERE FILED</b>	4:57 PM	Email: Joan to Rosanna, Quinn and John	I have filed 3 cases you speak about and I think placeholders in diversion agreement gave you the wrong idea. We can meet again if that would be helpful. Joan's reply: i have a new noise charge i filed and the other 2 cases that are the previously filed and discussed ones
12/27/2013	Friday	<b>ASSISTANCE OBTAINING 2 DOCS</b>	9:34 AM	Email: John Jalili to Rosanna	Talked to Quinn Barrow about requested documents and it looks like there has been some confusion about the # of complaints and documents requested. Quinn said the criminal complaint has 3 charges and you already have a copy.
12/27/2013	Friday		1:52 PM	Email: Rosanna to Joan	" WE simply want to know what the final charges are after all teh case building...Diversion Agreement was a please bargain for 3 pending charges...."

01/08/2014	Wednesday	<b>ARRAIGNMENT AND PLEA BARGAIN</b>	9:00:00 AM	Visit to Torrance Courthouse	Went to the Torrance Courthouse because case #3SYO8142 11/16/2013 was to be arraigned. I also asked for a copy of the original complaint filed 4/30/2013 Tim Doherty. They told me the file was in judge's courtroom because they were arraigning both cases today. I saw Joan Jenkins go into the backroom with MBPD Cash and Attny Bob Courtney. When I asked for a copy, the bailiff went into the backroom and brought Joan Jenkins out. She took me into the hall and said she had good news. "We almost got this worked out. I'm going to have them put plastic where the stainglass windows are, burlap in the ceiling, and a double back entry door. The ABC is going to get four codes for the back door" she said. "Is there anything else you can think of to make it soundproof?" Isn't there anothr neighbor who is willing to come forward publically. No, her husband won't allow her to do that. Joan mentioned that it was bad for Rosanna because her tenant had said she was the only one complaining.

01/18/2013					3 chances for Dave to pull a permit and refused. Cited for not pulling a permit on a fence and building it over the height limit. Initially red flagged by Jackie Harris and asked to pull a permit. She went back 3 days later and fence finished and no permit pulled so he was cited. She gave him a 3rd chance verbally by saying pull the permit and show me and I will tear up the citation. He never pulled the permit.
