

The City of Novato recognizes that the wireless industry offers many benefits in our growing economy, but a balance with community impacts must also be preserved. SB 649, however, undermines our ability to ensure that our residents have a voice and get a fair return for any use of public infrastructure.

For these reasons, the City of Novato respectfully opposed your SB 649.

Sincerely,

Regan M. Candelario  
City Manager, City of Novato
