COUNCIL MEMORANDUM NO. 90-08

FROM: Deputy Administrator

DATE: January 8, 1990

RE: Road Maintenance Budget Amendment

It is apparent that we will be unable to complete the fiscal year without additional funding for road maintenance contractual work and snow removal. We are being as conservative with snow plowing and snow removal activities as reasonably possible but the work must be performed.

While there is no way of predicting the amount of funds that will be necessary to complete this year, we are requesting an appropriation that will restore the level of funding that we originally requested for this year's budget. The funding source will be the General Fund. The amounts and the accounts are shown in the appropriating ordinance.

Recommend introduction of Ordinance No. 90-03.

Deputy Administrator
