COUNCIL MEMORANDUM NO. 90-25

FROM: Deputy Administrator
DATE: March 30, 1990
RE: Sewer System Modifications

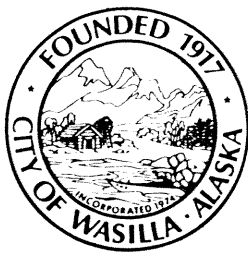

Last year Council approved a project to repair several sewer components that were on the uncompleted "punch list". The funds for the work were taken from the contractor's retainage. Primarily as a result of that work, the cost of thawing frozen components was reduced from about \$6,000 last year to about \$1,100 this year.

The attached list of proposed projects will also save operating costs and increase safety of the workers. The projects are not "punch list" items but I believe are eligible for funding from a state sewer construction grant.

We intend to advertise locally for bids to rent owner-operated equipment to perform as much of the work as possible and use our employees to supervise and perform work as we can make them available---exactly as we did last year.

Council approval and appropriation of \$27,000 for sewer construction activities from Municipal Grant 4/87-475 is requested.

Robert E. Harris
Deputy Administrator

RE: Replacement of 20" manways and 2 Orenco systems.

During the Winter of FY 89 and FY 90, numerous maintenance hours were spent on the Orenco Sewer Systems at Home Savings Bank and Glenwood Apartments. This Department would like to remove these two systems and install systems that meet the present City of Wasilla Sewer Specifications. At present, we have 3 20" manways that will have to be excavated to repair problems that have occurred during the Winter of FY 90. The following is a price breakdown by projects:

HOME SAVINGS BANK ORENCO SYSTEM

1 pump, control box and floats, etc.	\$1500.00
1 concrete standard manway	\$750.00
8 hours electrician @ \$44/hour	\$352.00
Breaker box complete, conduit & wire, J box	\$600.00
12 hours excavation equipment rental	\$1020.00
Asphalt repair	\$800.00

Sub Total	\$5022.00

GLENWOOD APARTMENTS ORENCO SYSTEM

1 pump, control box, floats, etc.	\$1500.00
1 concrete standard manway	\$750.00
8 hours Electrician @ \$44/hour	\$352.00
4 hours excavation equipment rental	\$340.00
Breaker box complete, conduit, wire, J box	\$600.00

Sub Total	\$3542.00
