RE: Sewer Construction of Lot 2 Block 3 Overlook Business Park

Dear Mr. Harris;

Please accept this letter as a request to be approved for your loan grant program. I have reviewed the eligibility requirements and it appears that Bible Baptist Temple does meet the eligibility requirements of the grant loan program.

Please consider this letter and the check enclosed as a commitment to this council for the mainline construction. The \$5000.00 check enclosed is for the mainline construction. The additional \$800.00 is for the sewer payment in lieu of assessment.

The cost of the on-site components has been estimated by Gilfilian Engineering to be between \$8000.00 and \$9000.00.

If you have any further questions or need any other clarifications, please do not hesitate to contact me at your convenience.

Cordially,
