COUNCIL MEMORANDUM NO. 90-52

FROM: Deputy Administration

DATE: July 16, 1990

RE: Road Projects: Guard Rail Construction

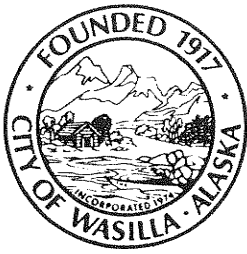

Installing guard rails on the Glenwood Avenue hill and at a sharp curve on Thomas Street are part of the road improvement projects approved by Council. The funding source is a FY90 State grant.

Our estimated project cost was \$13,000. F & E Fence provided the lowest cost estimate of \$10,431.75. Recommend that Council approve award of the project to F & E Fence Company.
