COUNCIL MEMORANDUM NO. 90-68

FROM: Mayor Stein

DATE: August 31, 1990

RE: State Capital Projects Recommendations

Roger Maggard has asked that the Council confirm the Administration's recommendations for state capital projects. We submitted a list of proposed priorities to the Planning Commission on July 24, 1990. The Commission did not act on the recommendations and has not met since.

We, therefore, are bringing the recommendations directly to Council so that the Wasilla area projects can be supported and included in the DOT/PF capital program.

We respectfully request your review and approval of Resolution No. 90-31.
