COUNCIL MEMORANDUM NO. 90-73

FROM: Mayor Stein

DATE: September 21, 1990

RE: Lakes Ordinance 90-21 (Substitute)

I offer the following revised language for lakes Ordinance 90-21 (Substitute):

13.02.010

Add new definition:

C. "Special Event Permit" means a permit approved by the Mayor for a special purpose and limited to a specific time to conduct an event that otherwise would involve activities in violation of one or more provisions of this chapter.

13.02.020

Revised paragraph:

2. Hours of Operation

Motorized uses producing continuous or repetitive noise which would or could disturb the peaceful enjoyment of lakeshore residents and users of public areas is hereby prohibited between the hours of 11:00 p.m. and 8:00 a.m. Specifically, use of personal watercraft known as "jet skis" or "wave runners" and similar acrobatic or stunt equipment is prohibited between the hours of 11:00 p.m. and 8:00 a.m. This restriction shall not be construed to prohibit the operation of aircraft, boats or other vehicles while transiting the lake in route to their destinations.

New paragraph:

6. Special Events Permits

Special events permits may be issued by the Mayor subject to the following criteria:

Event activities are limited to eight hours in any one day, between the hours of 8:00 a.m. and 11 p.m.

Event activities may occur on a maximum of three consecutive days.

Event activities must be located so as to avoid hazard to or damage of sensitive wildlife habitat, erosion-prone shorelines, public swimming areas and residential areas.

The special event permittee shall demonstrate that adequate and appropriate safety measures are taken to protect participants, spectators and bystanders including marking of activity area, safety patrols and public notice.

A City special event permit does not release the event organizers or participants from rules or regulations of the Matanuska-Susitna Borough, State of Alaska or the U. S. Government, especially the U. S. Coast Guard.

John C. Stein, Mayor
