COUNCIL MEMORANDUM NO. 91-12

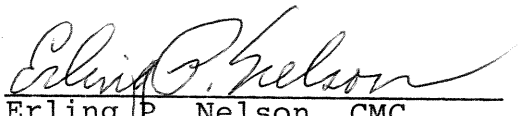

FROM: Municipal Services

DATE: March 4, 1991

SUBJECT: Disposal of Land Repeal

During the process of putting together a schedule of tasks to be accomplished to sell a lot for the Knik Road Gas LID it was noted that there is a requirement in the Wasilla Municipal Code that all dispositions of City land not acquired from the State and appraised at or above \$25,000 have to be approved by the voters. The old version of Title 29 was the basis for this provision, but was repealed when Title 29 was rewritten.

The Administration feels that this provision is no longer necessary, that the Council is perfectly able to act on behalf of the voters on these matters. Therefore we present Ordinance Serial No. 91-13 for your consideration.
