COUNCIL MEMORANDUM NO. 91-14

FROM: Mayor Stein

DATE: March 6, 1991

RE: Representative for Soil Conservation Service's Resource Conservation and Development Board

the City has been asked to appoint a representative to the Soil Conservation Service's Resource Conservation and Development Board. (RC & D - Ref: presentation to Council February 11, 1991).

The City was an original sponsor of the federally-funded RC & D. The board will represent the sponsors' interests in establishing the organizational structure of the RC & D.

Sponsor representatives are to meet in March.

The representative can be a member of the Council, Mayor, staff or other individual who will represent the best interests of the City. This is a pro-development organization.

I ask that you consider nominations and offer them at Monday's meeting.

John C. Stein, Mayor
