COUNCIL MEMORANDUM NO. 91-18

FROM: Deputy Administrator

DATE: March 21, 1991

RE: Waiver of Utility Charges

The City sub-leases the railroad depot to the Wasilla Lions Club who has, in the past, had several local organizations pay rental fees for meetings in the building. Those fees helped pay the water and sewer bills. Recently, only the Lions and the Lionesses have been using the building and the water and sewer usage has been far below the minimum for the minimum charge of \$31.25 monthly.

The organization has asked that the City waive the sewer and water fee until or unless they begin receiving meeting rentals again.

Recommend that Council authorize payment of the utility fees from Council Contingency Funds.
