COUNCIL MEMORANDUM NO. 91-26

FROM: Deputy Administrator

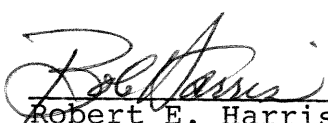

DATE: April 4, 1991

RE: Road Maintenance - Contractual Funds

The March 31, 1991 financial report indicates \$8,710.00 balance. Requirements for daily road grading have reduced the fund balance to an estimated \$4,300.00 as of this date and an estimated '0' balance as of close of business April 8.

There is less than \$1,000 that could be transferred from contractual sanding and snow removal. The road conditions are such that at least 5 more continuous days of bladeing will be required. Council is aware that we are receiving dozens of road complaints daily.

Request Council authorization to exceed the approved contractual road maintenance funding level up to an additional \$25,000 and to introduce Ordinance No. 91-18 with public hearing and adoption on April 22, 1991.
