### COUNCIL MEMORANDUM NO. 91-32

FROM: Mayor Stein

DATE: May 24, 1991

RE: Animals in Public Parks Complaints

We are again receiving complaints about animals in the public parks. There are problems with noise, excrement and danger to others. If the City ordinance prohibits animals in parks, Animal Control will enforce the ordinance. Presently we have an administrative rule against animals in parks and must rely on our security service with attendant extra costs.

We recommend introduction of Ordinance Serial No. 91-23 for public hearing on June 10, 1991.
