COUNCIL MEMORANDUM NO. 91-84

FROM: Mayor Stein

DATE: October 24, 1991

RE: Council Planning Worksessions

I have informally spoken with several members of the Council about a worksession (or sessions) to set the direction for the next year. The goal is to better coordinate the Council and Mayor so that efforts are directed on projects and problems that have the most benefit to the community.

Council may wish to consider worksessions on:

- Council priorities
- Roles of Council and Administration
- Process by which to allocate state road grants
- Employee wages and benefits
- City programs (roads, utilities, etc.) effectiveness
- Other

Council may schedule special meetings or meet in advance of regular meetings.

Of course no action or decisions may occur at worksessions and some issues, such as road grants, may require separate public hearings.

It would be desirable to schedule at least one worksession in November.

John C. Stein, Mayor

Scheduled worksession
for 11/19/91 from
7-9 pm.
