COUNCIL MEMORANDUM NO. 92-16

FROM: Mayor Stein

DATE: January 30, 1992

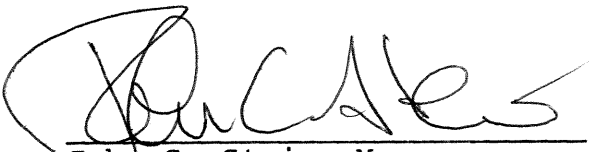

RE: Airport Street Names

Over the past few months, the Planning Commission has considered many names for the four new streets constructed as part of the new Wasilla Airport. At their January 28 meeting, the Commissioners prioritized the four they felt most appropriate from a list of over 87 names that were not otherwise used within the Borough.

Those four receiving the highest priority were: Beacon, Aviation, Crosswind and Terminal.

We ask Council approval to utilize those names as follows:

- Beacon Street: North-south connecting Neuser Drive to the airport and adjacent to beacon.
- Aviation Avenue: East-west paralleling the runway and future connection to Church Road.
- Crosswind Court: North-south serving lease lots.
- Terminal Court: North-south serving tie-down area and lot reserved for future terminal building.
