COUNCIL MEMORANDUM NO. 92-17

FROM: Deputy Administrator

DATE: January 31, 1992

RE: Purchase of Pumper Truck

On January 27, 1992, Council approved a plan to loan funds from the General Fund to the Sewer Utility to purchase a used septic tank pumper truck. We have advertised for proposals with a closing date of February 21.

We expect the cost to be in the range of \$40,000. Council is requested to introduce Ordinance No. 92-10 so that the purchase funds will be readily available when a truck is selected. The purchase recommendation will be brought to Council on March 9, 1992 and Council can then amend the appropriation ordinance to reflect the actual purchase price prior to adoption.
