COUNCIL MEMORANDUM NO. 92-23

FROM: Mayor Stein

DATE: February 18, 1992

RE: Airport Property Leases

At their February 10 meeting Council did not approve a motion which would have authorized the Mayor to negotiate leases with both fuel service airport lease lot applicants. Mr. Carson asked for reconsideration at the February 24 Council meeting.

A motion "to reconsider the February 10 motion to approve CM92-15, Option A" is in order.

At its regular meeting February 11, the Wasilla Planning and Utilities Commissioners answered an informal inquiry from Councilman McCarthy about the proposed leases. Each of the four members present recommended that the Council authorize negotiations of all leases and leave economic and competitive decisions to the lease applicants.

The Administration concurs in that recommendation.

John C. Stein, Mayor
