COUNCIL MEMORANDUM NO. 92-31

FROM: Mayor Stein

DATE: March 4, 1992

RE: Council Memorandum 92-19  
Knik-Goose Bay/Main/Fishhook Highway Project - Correction

At the last meeting the Mayor asked the Council to approve the alternate of the environmental assessment for the Knik/Main/Goose Bay federal highway project which straightened the "dead man curves". The stated and approved alternate was Plan "A". In fact it is Plan "B" which straightens out the curves.

The Administration asks Council concurrence in correcting this error in our recommendation for the Fishhook section of the project to Alternate "B".

John C. Stein, Mayor
